## MARICOPA UNIFIED SCHOOL DISTRICT

November 9, 2023

Dear MUSD Families,

### HONORING ALL WHO SERVED

Today, we gathered to celebrate and honor the service of our MUSD veterans and their military families at our annual Veterans Breakfast. Their service teaches us all, especially our students, the profound impact of service to our country.

The Maricopa High School AFJROTC Missing Man Ceremony was a solemn moment, that honored fallen, missing, and captured military service members. Our students from the culinary, choral, and dance programs brought their talents to the forefront, adding emphasis to the occasion.

To every service member, past and present, thank you. You help us teach the values of hard work, self-discipline, patriotism, and service.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent  
Maricopa Unified School District
