

Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

February 2, 2024

Dear MUSD Parents,

CELEBRATING CTE: SHAPING TODAY'S WORKFORCE

Within Maricopa, MUSD stands out for its extensive Career and Technical Education (CTE) programs that prepare students for high-wage, high-skill, and high-demand careers.

Our programs consistently earn state and national recognition in Computer Maintenance, Digital Communications, and Marketing - just to name a few.

And, it gets even better...

Did you know our CTE programs provide vital services to our schools and the community?

- 24 PinTech - IT Support for MUSD Staff and Students
- MHS Rams Automotive - Full Automotive Care for Staff and Students
- Art for the Heart - Annual Art Festival and Fundraiser
- MHS Graphic Muse - Graphic Design Services

Many of our students already have skills and certifications that are shaping Maricopa's workforce. They're not just job-ready; their skills reflect the latest advancements and industry standards in areas like culinary services, automotive, healthcare, and beyond.

For more information about CTE programming, visit musd20.org/cte.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
