Celebrating Dedication: Legendary Teacher Day **September 28, 2023**

Dear MUSD Families,

Did you know that MUSD average employee tenure surpasses the Arizona state average? Staff longevity is a testament to the dedication, passion, and expertise that each staff member brings to our district.

This longevity isn't just a statistic; it translates into seasoned educators who have had a lasting impact on the lives of our students. And it is these very educators that we wish to honor in a special way.

On September 28, 2023, we celebrate Legendary Teacher Day. Whether it's an amazing relationship with your child, a dynamic learning environment, or high expectations for student success, tell us what makes your child's teacher legendary.

Please use this link to nominate a [Legendary MUSD Teacher](#) today!

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
