Principal's News

Good evening RAM Nation,

Only 1 week left in Quarter 3! Encourage students to remain current with learning, take advantage of teacher office hours, work on and submit missing assignments during Achieve and schedule time to retake assessments.

Early Release days will be Wednesday, March 3 and Friday, March 5.

Parent/Teacher Conferences are scheduled for March 30, 31 and April 1.

CPR Requirement for Graduation - The state of Arizona requires an awareness level course in CPR for graduation. We are providing a course that is completely online, and therefore accessible at any time, and can be completed in about 1.5 hrs. This is an awareness level course and does not result in full CPR certification. *If you are already certified in CPR you can send me, wperry@musd20.org, a copy or picture of your card and you do not need to take the course being offered.*

Please follow the directions below to log in, view the course materials and complete the course. You must complete the course, and while our expectation is that you pass the test, the test grade will not affect graduation. The requirement is to complete the course. You may work on this course during your Achieve periods at the discretion of your teacher and provided you are not in a reteach course. If you have any difficulty with the class please email Mr. Perry at wperry@musd20.org. **The Test needs to be completed by March 31st.** Please do not wait until the last minute.

Community CPR - For Students CPR Training That Can Last a Lifetime to complete your Student CPR training, follow these steps:

1. Go to www.studentcpr.com/signup
2. Enter your name, username (you will create), password (you will create) and the following class code: SCH-732-88-088
3. Watch the educational videos & complete the pre-test questions.

Thank you for choosing MHS!

Resources for Parents Arizona Department of Education

Are you at your wits end about how to help your child succeed at school during distance learning?

The link below, from the Arizona Department of Education, has tons of resources to help you navigate through these tough times.

Topics include:

- What questions to ask your child's teacher or principal about distance learning
- Links to additional social and community services resources in both English and Spanish
- Links to virtual tours and activities to help motivate your child
- There is even help for students that may be struggling emotionally due to the isolation of distance learning.
