## Principal's News

Good evening RAM Nation!

We are ready to welcome your in-person students back to campus on Monday, October 16<sup>th</sup>!! A couple reminders...

- **Parent-Teacher Conferences** – Your student's should have reached out via email with information to set up your virtual appointment. If you have not received this or need assistance, please contact your student's teacher directly.
- **Request for Change of Placement**- We have sent out a Google Form to families to complete if they would like a change in instructional placement for second semester. The form only needs to be completed if you would like to make a change from online to in-person, or in-person to online. A link to this form has been provided below.
- **Coffee & Conversation**- I have stated on numerous occasions that a partnership between MHS and families is key to your student's success. This requires a dialog to share concerns, needs and solutions. I have scheduled a Google Meets meeting for MHS families on Monday, November 16<sup>th</sup>. I hope you are able to join me to hear about the great things happening on campus, as well as take the opportunity to ask questions and share ideas. <https://meet.google.com/fho-mijz-xhh>
