Principal's News

Good evening RAM Nation!

Thank you for your participation with Parent-Teacher Conferences this week! We had a great turn out and appreciate the opportunity to partner with you for your students success.

We are down to the last 17 days of this semester. Your student's semester grade will be the grade of record for their transcript and progress toward graduation. Please continue to encourage your student to submit missing work, coordinate with their teachers to retake assessments and keep current with their learning. We will be sharing information about targeted Study Group opportunities by content in the near future!

Due to the Thanksgiving break, we will send our next newsletter on December 4th.

As we approach the holiday season, MHS encourages you to be safe and mindful of our current health situation. Please continue to follow the recommendations of our health experts to keep you, your family and our community safe.

With appreciation,

Ms. Deana McNamee, Principal
Maricopa High School
