Ms. Elizabeth Allison
Principal

Dear Mustang Families,

It is an honor and privilege, once again, to return as principal of Pima Butte Elementary school (PBES). I am excited to begin another school year! As principal I am enthusiastic and deeply committed to continue on the historical success of Pima Butte Elementary school. I am delighted for the opportunity to continue facilitating and leading our staff, students, families and community to a successful 2021-2022 school year. It is my intention to uphold and support the unique needs and contributions of Pima Butte Elementary by promoting high academic and behavioral expectations, advancing a positive school culture, and by continuing to preserve and enrich the family and community partnerships.

The staff here at Pima Butte works hard to offer every student a well-rounded education. Staff at Pima Butte hold students to high academic and behavioral expectations, teaching students the importance of good character and always giving their personal best.

In 2019, Pima Butte Elementary school was designated as an **A+ School of Excellence™** by the Arizona Educational Foundation. We went through a

comprehensive assessment process to identify areas of excellence in teaching, learning, climate, community building, and leadership. We're extremely proud of this designation!

In addition to the **A+ School of Excellence™** designation, Pima Butte Elementary was nominated by and later recognized by the U.S Department of Education as a 2020 National Blue Ribbon School Recipient as an Exemplary High Performing School. This distinguishment is a true reflection of the hard work and dedication of our staff, students, families and community.

Open communication and feedback is essential to the success of our school. In addition to Site Council and Parent Teacher Organization (PTO) meetings, I encourage you to contact me if you would like to discuss or share your ideas about building upon our successes or addressing challenges that are in need of our attention. You can contact me by calling **(520) 568-7151** or sending an e-mail to: eallison@musd20.org. Please do not hesitate to call or e-mail me if you would like to set-up an appointment.

We will continue to provide a safe learning environment so that each student can contribute to the success of our school. In order to provide a secure environment, all parents and visitors are required to report to the Front Office and sign in before going to other parts of the building, including classrooms. Name tags are required to be worn by all visitors and staff. Parents/visitors must sign out in the Front Office when leaving the school. Classroom visits should be prearranged through the classroom teacher and/or school administrator.

We strongly encourage students to be at school, on time, every day. Students who are absent from school, or who arrive late to school, or leave early, miss out on important instructional opportunities. Please help us reinforce the importance of daily attendance and reporting to school on time. Try to avoid scheduling medical appointments during school hours as much as possible.

If you park in the parking lot to drop-off or pick-up your child, please use the marked crosswalk that is located in the front of the school. To avoid accidents, please use the Entrance only driveway when arriving to Pima Butte and the Exit only driveway when leaving Pima Butte. As a reminder, cars are not permitted to park along Rancho El Dorado Parkway in front of the school to drop off or pick up students.

From time to time, when southern Arizona receives a large amount of rain in a very short time, the wash that goes through Rancho El Dorado starts flowing. As a result, part of Rancho El Dorado Parkway gets closed for usually a couple of days at the wash on the north and south side of the neighborhood. Therefore, an alternate route is necessary to get to Pima Butte if you enter the neighborhood off of Highway 347 or if you live on the other (west) side of the wash away from Pima Butte. When the wash is closed to cars, bikes, and walkers, enter Rancho El Dorado from Smith-Enke Road at either Santa Rosa Drive, or from Desert Garden Drive, then follow Rancho El Dorado Parkway (away from the wash) to Pima Butte.

ParentVue is a great way of keeping up with your child's grades and progress in class. If you would like to get access to this computer-based software program, please bring your ID to the Front Office and we will get you set up with an activation

key. Once you have the activation key, you will be able to access ParentVue through the MUSD20.org website.

Parent Volunteers... Pima Butte is always in need of Parent Volunteers and with the opportunity to once again have volunteers on campus, we are excited to be able to begin welcoming our parent volunteers back on campus. Parent Volunteers are needed for various PTO activities that take place during the school year such as, the Obstacle Course Race, Holiday Gift Shop, Santa's Supper, Assemblies, and Water Day. We always need parents to help out with picture days, Book Fair, and Field Day. If you have any time to volunteer at Pima Butte, please contact the front office. We really appreciate it.

Pima Butte 2021-2022 Yearbook... At the beginning of the school year (and throughout the school year), we will have information fliers available about our yearbook. If you order your child's yearbook early in the school year, you can take advantage of the discounted price. As the school year progresses, the cost of the yearbook will increase incrementally. We typically sell out of yearbooks by the last week of school.

We will continue to implement the **Positive Behavioral Interventions and Supports (PBIS)** initiative which is an approach to teaching and supporting positive behaviors and meeting the needs of ALL students. This school-wide approach to discipline focuses on building a safe and positive environment in which all students can learn. The foundation of PBIS at Pima Butte Elementary School is based on three building-wide expectations: "Be Respectful, Be Responsible, and Be Safe". To be

successful, our behavior framework needs to be a partnership between home and school. [For more information on PBIS, go to: <http://www.pbis.org>]
