

Maricopa Unified School District

COVID Related Supplies Ordering Guide

Items to be ordered from the MUSD Warehouse:

- Alpha HP Cleaning Solution – District standard for cleaning and disinfecting
- Paper Towels
- Hand Soap
- Gloves
- Masks

Items to order directly from vendors:

- Hand Sanitizer
- Disinfectant or Alcohol Wipes

Cleaning Procedures

- Alpha HP is a multi-surface hospital-grade disinfectant cleaner. It is safe for classroom use and approved by the Environmental Protection Agency (EPA) for use against bacterial and viral microorganisms. Cleans surfaces safely and easily.
- Use on walls, desks, countertops and other water washable hard surfaces. Simply spray the surface and wipe clean with paper towels. If a teacher sprays the desks with Alpha HP it is safe an appropriate for students to wipe clean with paper towels. Alpha HP is a safer and more effective cleaner than any other solution, aerosol, or wipe.

Re-stocking Procedures

- Warehouse orders are placed through the Districts iVisions Warehouse system. All Administrative Assistance should be familiar with the Ordering process. For assistance please reach out to Nancy Powell in the Business Office.
