MARICOPA UNIFIED SCHOOL DISTRICT

July 21, 2021

Dear MUSD Parents,

The first day of school signals enthusiasm for a fresh start and exciting new experiences. Your children's teachers are prepared and ready to welcome the new school year.

As a reminder, schools will be following existing Mitigation Strategies, and are looking forward to reinstating many familiar practices and routines.

I hope you have a wonderful school year. Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
