

DIGITAL LITERACY AT MUSD20

SYMBALOO

This is the district's link for all the approved websites.

The logo for typing.com, featuring the word "typing" in white lowercase letters on a blue background, with ".com" in smaller white text above the "g".

TYPING .COM

Free website for students to practice their typing skills. Did you know just 15 minutes a day will help increase typing ability and muscle memory?

CODE.ORG

Believes every student should learn to code. This is a step-by-step program to teach coding even to the youngest of students.

SCRATCH

Once you have practiced coding in Code.org try out SRATCH to code on your own to create stories, games & animations.

The Canva logo, which is the word "Canva" in a white, cursive-style font, set against a circular background that transitions from blue at the top to purple at the bottom.

CANVA FOR EDUCATION

A graphic design program where students are able to create posters, book covers, presentations, and much, much more.

Access through their Google Waffle- not through Symbaloo.
