## Allow Meet to use your camera and microphone

Meet needs access to your camera and microphone so that other participants can see and hear you. Meet will ask you to confirm this decision on each browser and computer you use.

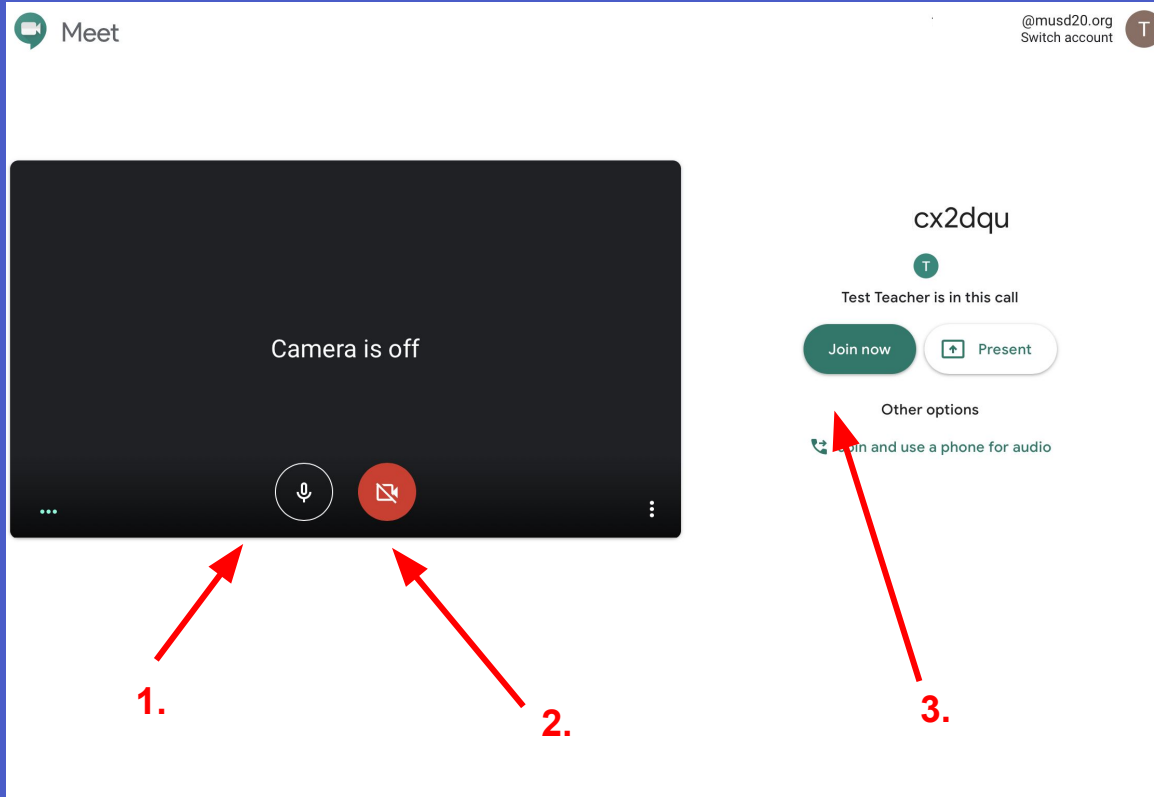

1.

2.

Dismiss

1. The first time you join a Google Meet, you may be presented with granting permission for Meet to use your camera and microphone.
2. Choose Allow, so that you will be able to join in the Meet fully.

# Join the Meet

1. Since you will want to participate fully, you will probably want the camera and microphone on
2. Currently the camera is turned off in this example.
3. Once you are ready, click **Join now** to join the Google Meet.
