STUDENT RIGHTS AND RESPONSIBILITIES

JI-R © REGULATION
All students are entitled to enjoy the basic rights of citizenship that are recognized and protected by laws of this country and state for persons of their age and maturity. Each student is obligated to respect the rights of classmates, teachers, and other school personnel. District schools shall foster a climate of mutual respect for the rights of others. Such an environment will enhance both the educational purpose for which MUSD exists and the educational program designed to achieve that purpose.

All district personnel shall recognize and respect the rights of students, just as all students shall exercise their rights responsibly, with due regard for the equal rights of others and in compliance with the rules and regulations established for the orderly conduct of the educational mission of MUSD. Students who violate the rights of others or who violate rules and regulations of MUSD or of their school are subject to appropriate disciplinary measures designed to correct their own misconduct and to promote adherence by them and by other students to the responsibilities of citizens in the school community.

The following basic guidelines of rights and responsibilities shall not be construed to be all-inclusive, nor shall it in any way diminish the legal authority of school officials and the governing board to deal with disruptive students.

RIGHTS:
- Students have the right to a meaningful education that will be of value to them for the rest of their lives
- Students have the right to a meaningful curriculum and the right to voice their opinions, through representatives of the student government, in the development of such curriculum
- Students have the right to physical safety, safe buildings, and sanitary facilities
- Students have the right to consult with teachers, counselors, administrators, and anyone else connected with the school if they so desire, without fear of reprisal
- Students have the right to free elections of their peers in student government, and all students have the right to seek and hold office in accordance with the provisions of the student government constitution and in keeping with the extracurricular guidelines of MUSD
- Students have the right to be made aware of administrative and/or faculty committee decisions and to be aware of the policies set forth by the governing board and school
- Legal guardians or authorized representatives have the right to see the personal files, cumulative folders, or transcripts of their children who are under the age of eighteen (18) years. School authorities may determine the time and manner of presentation of this information
- Students’ academic performance shall be the prime criterion for academic grades; however, noncompliance with school rules and regulations may affect grades (e.g., unexcused absences)
- Students shall not be subjected to unreasonable or excessive punishment
- Students have the right to be involved in school activities, provided they meet the reasonable qualifications of sponsoring organizations, state organizations, and school regulations
- Students have the right to express their viewpoints in accordance with District Policy JICEC - Freedom of Expression

- All members of the school community, including students, parents, and school staff members, have the responsibility to promote regular attendance at school

- Students have the responsibility to complete all course assignments to the best of their ability and to complete make-up work after an absence
- Students have the responsibility to help maintain the cleanliness and safety of the school buildings and property
- Students have the responsibility to present themselves in class at the prescribed time and with the necessary materials

STUDENT EXPECTATIONS

Students should remember that they are responsible for their own actions. If their actions are in violation of school guidelines, they will have to accept the consequences. Students need to understand that Arizona law allows the school district to hold them accountable for their behavior on the way to and from school, and during any school sponsored activity. Every person at all MUSD schools is entitled to due process. This means that students always have the right to tell their side of a problem and have people listen. Students also have the right to be treated fairly and equitably.

- Walk quietly to and from assemblies

Inappropriate Items
Electronic devices or toys of any kind are prohibited. The school cannot guarantee security for these items. Such items will be confiscated and must be picked up by the parent or guardian.

Playground Behavior
Playground rules provide safety and security for all students. Teachers will instruct the students on how to use the playground. If you bring your own playground equipment to school, the school will not be responsible for lost or stolen property. General Rules:
- Use common sense and show respect for others
- Do not throw inappropriate items such as sand, mud, rocks, weeds, bugs, etc.
- Stay outside until the bell rings
- Do not stand on the monkey bars
- One basketball per basket
- No tag games; do not pull or drag on others

Restrooms
Students should use only the restroom that is designated by their teacher. Important! Remember:
- Wash your hands before you leave the restroom
- Loud talk, yelling and horseplay is not allowed in the restroom areas
- Students must return quickly to class
- Help keep the restroom clean
- Students who write or draw on the restroom walls or other surfaces can be suspended and a parent conference can be required

Profane and Vulgar Language
Profane or obscene language and gestures are unacceptable and will not be permitted at school, on the playground, coming to or going from school. A student WILL BE suspended from school if they continue this negative behavior after the first warning.

Smoking, Alcohol and Drugs
The possession and/or use of tobacco, alcohol, drugs or any substance which may be used for the purpose of intoxication, is prohibited. Violation of this rule will result in suspension.

Social Probation
Students who are showing unacceptable progress in class or students who have serious and/or repetitive conduct problems will be placed on student probation. These students will not be allowed to attend special activities conducted at school. A report of the restriction will be recorded in the student’s discipline file in the student management system.

Time-Away Rooms
Your school may be equipped with time-away rooms located in the office. The purpose of these rooms is to allow the student a place to sit and reflect upon his/her behavior. These rooms may be used for in-school suspension. Saturday School may be offered. Often this is an alternative to suspension and allows students to reflect and learn from their behavior. Teachers, principal or designee may assign a Saturday School depending on the gravity of the offense. Parents will be notified and will work together with school personnel to ensure student attends.

ATTENDANCE
MUSD’s goal is to ensure the attendance of students and to promote a school culture of academic achievement. The parent or guardian is charged by law with responsibility for the student’s consistent school attendance. The superintendent/principal/designee will enforce the laws regarding attendance, with consideration of the variables that affect children and families. The superintendent/principal/designee will place emphasis on the prevention and correction of the causes of absenteeism.

Parents/Guardians and Student Responsibilities
Parents/Guardians and students should be aware of the attendance policy. Parents should attend class all day. Parents/Guardians need to call the school prior to 8:00 a.m. to provide the attendance clerk with the following information:
- Parent’s Name
- Student’s Name
- Teacher’s Name
- Reason for Absence (i.e. Flu, Strep Throat, Asthma)
- Contact Phone Number

Parents and students need to verify absences in writing within 24 hours. Note: keep a file at home to hold originals of doctor’s excuses, court summons, funeral notices, etc. Arrange for doctor and dentist appointments after school as often as possible. Students need a full instructional day. Parent and/or guardian need to inform the school of any changes or corrections necessary to keep the contact phone numbers up to date. PLEASE NOTE: As per ARS 15-802, a student absence can only be excused by the school principal. A note or phone call from a parent/guardian does not automatically excuse the absence.

Excused Absences
The following reasons will be accepted as excuses for being absent:
- Verified legal appointment, such as court
- Religious holiday
- Funeral/death in the family
- Verified illness or hospitalization
- Communicable disease (Flu, Measles, etc.)
- Pre-approved request/special circumstance (i.e. family, vacations)
- Absences will only be excused if the office receives written verification within 24 hours of the student returning to school. Any absence

Maricopa UNIFIED: A community dedicated to student success.
Student Tardiness
Maricopa Unified School District recognizes the importance of students assuming the responsibility of being on time to class. A student will be considered tardy if he/she is not inside the classroom when the tardy bell rings. If a student abuses the tardy policy, appropriate disciplinary action will be applied.

- 1st Tardy – Warning
- 2nd Tardy – Consequence
- Excessive Tardiness - Office referral consistent with student database discipline category/violation list (Refer to MUSD Code of Conduct)

Pre-approved Requests/Special Circumstance
In certain circumstances when it is necessary for a student to be absent for an extended amount of time, notification should be made to the school at least ten days prior to the absence. Students must arrange all class work prior to the absence and complete all work by a determined date. Filing a request does not guarantee approval. The following criteria will be considered:

- Grades – must have a passing grade in each subject
- Attendance – amount of prior absences/tardiness
- Behavior – prior referrals, disciplinary actions, etc.

Parents/Guardians Notification
The school shall make a reasonable effort to promptly telephone and notify parents or guardians of an absent student within two hours after the start of school. In order to do this, it is IMPERATIVE that we have current contact information. Please inform the school office of any changes in phone numbers and/or contacts as soon as possible.

Consequences for Absences
After three absences the student will receive an attendance policy warning. The first notice will be in the form of a truancy letter notifying the Parents/Guardians of the missed days. The primary purpose is to advise the parent/guardian that the student’s grade may be affected due to the absences.

After five absences the student may be placed on an attendance contract and a second notice truancy letter will be sent home. A parent conference may be scheduled and Parents/Guardians may be referred to the court system for truancy citation. Students who violate an attendance contract may be removed from the school.

Students with excessive absences, (over 10) will be subject to the laws of Arizona in regards to attendance and will receive a final truancy letter. The School Resource Officer/Truancy Officer per Arizona statute may cite the student or the parent for truancy. Excessive absences affect the student’s grades. Administration may require medical documentation for excessive or habitual absences. (ARS code 15-802)

After 10 days of consecutive unexcused absences, the state requires schools to automatically withdraw the student.

Truancy Violations
As per ARS 15-802, parent of a child between six and sixteen years of age or a person who has custody of a child, who fails to enroll or fails to ensure that the child attends school pursuant to this section is guilty of a Class 3 Misdemeanor.

Arizona’s Truancy Laws (ARS 15-802 and 15-803) define two circumstances when a student may be cited for failing to attend school.

- A student is “habitually truant” when he or she has five or more unexcused absences from school. “Truant” means an unexcused absence for at least one class period during the day.
- A student has “excessive absences” when the student misses more than 10 percent (18 days) of the required number of school days per year, whether the absence is excused or unexcused.

If the student experiences a significant number of excused/unexcused absences or truancies, both the Parents/Guardians and the child could be issued a citation for violation of the truancy law. A citation would require that both the Parents/Guardians and the child appear in court regarding this matter.

Student Pick-up/Signing Students in and out of School
For the safety and protection of the student, he/she cannot be taken from school, before regular dismissal time, without a Parents/Guardians physically signing out the child. Photo identification will be required of all persons. A student will not be excused to leave school on the basis of a note or telephone call. Student must be signed out in the front office by a person at least 18 years of age. A student may be allowed to leave with someone other than the parent only if the parent has notified the school of such an arrangement in writing or if the person is listed on the emergency contact list.

Only parents or legal guardians may authorize check-out of a student. Only individuals designated on authorization list may pick up student. If a student leaves during the day, and does not check out with the school, it is considered an unexcused absence and classified as truancy. Students are not permitted to leave school without permission.

We value and applaud our student successes. Opportunities may arise when a student is to be recognized for their outstanding achievement. Student’s first name, last name and photograph may be released to the media only if written parental permission has been submitted. Note: If permission is not granted, your child will not be able to be included in any newspaper articles outlining accomplishments.

Money
Students should never bring large amounts of cash to school. School personnel will attempt to locate any lost money, but the person bringing money to school is responsible for it. The school will not be held liable for missing or stolen money that a student brings to school.

Parents’ Guide to Child Abuse Reporting Requirements for School Personnel
The law covering the mandatory reporting of child abuse has recently changed and the obligation for school employees is greater than ever before. The duty to protect children from child abuse, sexual abuse, and neglect is one that is incumbent on every school district employee. It is important that parents and families understand these obligations and the ramifications on school personnel. The following guidelines are designated to clarify what these new obligations are.

What triggers an obligation to report? A.R.S. 13-3620 provides that anyone who “reasonably believes” that a minor is or has been the victim of physical injury, abuse, and child abuse, reportable offense or neglect that has been inflicted on the minor by other than accidental means or that is not explained by the available medical history as being accidental in nature shall immediately report or cause reports to be made of this information to a peace officer or to Child Protective Services at the Department of Child Safety. This means that if a school employee hears a rumor, overhears a conversation or by any other means, becomes aware that a child may be the subject of physical injury, sexual abuse, or neglect, that employee has an obligation to report. It is not necessary to have visual or actual evidence of abuse to trigger the reporting requirement. Staff is bound by law to not discuss or share any information to any person unless specifically authorized by applicable law or court order.

Pets and Other Animals
For the safety of all students, please do not bring pets on campus. Pets may NOT be brought to the classroom without prior permission from the principal. Animals cannot be transported by school buses. If a pet follows a student to school, the office will contact the student’s home to arrange for pet pick up. If the parents cannot be contacted, then animal control will be notified.

School Announcements
All MUSD elementary schools will communicate school activities, notes and calendars to parents on a regular basis. Students should recognize the importance of taking all notices home to their family. The weekly or monthly newsletter (varies by site) is available on each school website.

School Pictures
A commercial company takes individual and group photographs in the fall and spring. Packets of color photos will be offered for sale to parents. Students may wear dress clothes for the fall formal pictures if staying within the appropriate dress code guidelines.

Students will not dress in a manner that disrupts the learning process. Each student must keep in mind that he/she is a representative of MUSD and the Maricopa community. In addition, Board Policies and State Law limit information that can be given to people outside Maricopa Unified School District without permission of parents. MUSD Policies on access to student records and other information, and parent and student rights, comply with the Family Educational Rights and Privacy Act of 1974 (FERPA). A written request must be submitted and approved by the building principal or district administrator at least 24 hours prior to the copies being completed.

Visitors on Campus
Parents of our students are welcome at any time. In order to provide a secure environment, ALL MUSD Parents/visitors are required to report to the office and sign in with a picture identification before going to other parts of the building, including classrooms. - Visits to classrooms are asked to be prearranged through the administrator or/and classroom teacher. In order to ensure limited disruption to instruction and the learning environment, the building administrator reserves the right to limit the length of time as well as the date and time of day when the prearranged visit is to occur.
- The board and administration will not tolerate any person or persons whose presence disrupts classes, school activities or hinder the instructional process. If such persons will not leave the school premises upon request, the building principal, or his or her designee, may contact the proper legal authorities.
- A student wanting to bring a student visitor to school must get permission from the principal before the visit. In addition, the student visitor must have a pass from the office. All student visitors must follow school rules and must be on a vacation break from another school.

ACADEMICS AND SPECIAL PROGRAMS

Admission to Kindergarten
MUSD believes that a solid kindergarten program creates the foundation of learning as students begin their academic career. For this reason, the following kindergarten options are available for families.
- Dual Language: The Dual Language Program introduces Preschool Kindergarten students to the world of bilingualism, biliteracy, and culture competency. Students receive instruction and explore content in English/Spanish and English/Mandarin to develop building blocks that will prepare them for progressive immersion in future grade levels.
- Full Day Kindergarten Program: Full day program will allow students to fully develop their academic skills. It will be offered to families who have children who turn five years old before September 1st. In addition to the regular kindergarten curriculum, they will be able to participate in enrichment activities and specials.
- Early Kindergarten: Any student who will turning five (5) years old between September 1st through December 31st is eligible to be assessed for admittance into kindergarten. Assessments are done at MUSD office in the spring prior to the beginning of the new school year. If students pass the Kindergarten assessment, they are placed on a 30 day probationary period to see if the program meets the child's learning needs.

Art Appreciation
Volunteers teach this enrichment program. Each month, the focus is on one artist, who they were, and why their work is considered important. The students view a short slideshow that highlights the featured artist and their style. The students are then shown how to do their own version of a famous masterpiece.

Requirements for Promotion of Students from Third Grade
AZ Statute IKE-RB states that students who obtain a score on the reading portion of the AZ Merit State Assessment, or a successor test that demonstrates the student is reading far below the third (3rd) grade level will not be promoted from the third (3rd) grade.

Counseling
Counselors are available at our elementary schools. Referrals are available at each school office. Teacher, parent and students can fill out the referral to request services. Parents will be notified in advance before services are provided. More information can be found on MUSD webpage.

Maricopa UNIFIED: A community dedicated to student success.
ELL Program
Our ELL Program provides services to students that need assistance in learning English. Arizona law requires that children with a home language other than English be assessed for proficiency in oral language, reading comprehension, and written communication. Following Parents/Guardians notification, students who are identified as limited English proficient may receive various forms of instructional support focused on English acquisition.

Exceptional Students Program
Students being considered for special education placement are screened, evaluated and placed by a team. Special education programming at the school is implemented by a resource teacher, who works directly in the resource room with exceptional students and in consultation with regular classroom teachers to help them better meet student needs. We also have schools with classrooms that specialize in caring for students with greater special education needs. Parents of special education students share in making the decisions concerning their children’s evaluation, placement, and program development. Parent information meetings are held as needed.

Gifted Program
The goal of the MUSD Gifted Program is to provide identified exceptionally talented students with individually appropriate instructional programs. Students in grades 3-5 will have the opportunity to participate in a gifted pull out program. Students that are identified as gifted will receive services with a highly qualified gifted teacher. MUSD’s Gifted Program aims to offer a broad base of experiences to our gifted students. By providing a qualitatively different curriculum, this program facilitate the growth of student as independent, life-long learners, with the development of skills, concepts, and positive attitudes with the cognitive, emotional, and social domains considered. A major goal of the curriculum is the teaching and practice of critical thinking skills. For more information, contact: Maricopa Unified School District Office (520) 568-8100

The above are used to evaluate a student’s progress: teacher observation, classroom performance, criterion-referenced tests developed by MUSD and AZ Merit

Homework and Study Habits
The purpose of homework is to provide additional practice on previously introduced skills or to enrich classroom experience. Homework includes such activities as brief drills, reading, collecting information, sharing ideas with Parents/Guardians and providing project/assignments in which students must utilize their time in creative thought.

Homework will be assigned consistent with the development level, special needs, potential, and achievement level of the individual student. Students, regardless of their intellectual capacity, should understand that mastery of skills is not always possible within the time constraints of the classroom. Homework will address the objectives of the instructional program. To supplement work in class, teachers often give additional assignments to help in understanding of the subject. Parents and students need to work together to find a suitable time and place at home to do homework.

Honor Roll
MUSD Elementary Schools have established an honor roll system to recognize outstanding academic achievement every grading quarter. Grades for reading, writing, math, science and social studies will be considered for the honor roll. Honor roll students will be recognized. Celebrations vary by site.

Make Up Work
Students will be allowed the same number of days to make up daily assignments as the number of days missed. If work is not turned in within the designated time period, and no contact is made explaining the circumstances that necessitate an extension, a failing grade will be given. If possible, parents should request make-up work at least 24 hours before they intend to pick it up. Remember: Students are still responsible for class work missed during an absence.

Progress Reports
The purpose of a student progress report is to communicate to Parents/Guardians their child’s current achievement status in each curriculum area. Student progress reports will be sent home at midterm of each grading period and when significant changes are observed by a teacher. Report cards are sent home with the student at the end of every grading period as listed on the school calendar. Parents are encouraged to participate in their child’s progress by scheduling visits to their child’s classroom.

Promotion and Retention
Yearly promotion for students in grades K-5 is based on evidence of individual student progress in achieving mastery of learning objectives. The teacher shall make the decision based upon academic performance for promotion or retention of students in the common schools. Parents will be notified and a conference will be set up to discuss possible retention.

Retention will be considered if the student is partially proficient or minimally proficient in at least two subjects, one or more of which should include reading, math, and language arts (grades K-5) and/or excessive absences in accordance to truancy laws. Retention will be considered for a student having more than 12 absences per semester when it is contributing to poor academic performance. At the end of the second and subsequent grading periods, parents will be notified if a child is at risk for retention. As prescribed in ARS 15-701 and ARS 15-715, the teacher has the legal authority to promote or retain a child. That decision can only be overruled by the School District Governing Board. If the teacher recommends your child for retention at the final notification and you disagree with the decision of the teacher, you may file an appeal with your school principal within five (5) days of receipt of the final notification. If you do not file an appeal within the allotted five (5) days, the teacher’s original decision will stand.

Library
Students are encouraged to use the library in their school and draw from its wealth of materials as much as possible. Some general guidelines for behavior in the library are as follows:
- Students need to use quiet voices and be respectful of others when using the library
- Students should return materials to the library as soon as they are finished reading them to allow others to check out
- Students who do not return books on time will not be allowed to check out additional books
- Students will be expected to pay for any library books or bar codes they damage or loss

Maricopa UNIFIED: A community dedicated to student success.
Recitation of the Declaration of Independence

Arizona Revised Statute 15-203.A.26 states that the Arizona State Board of Education shall, “Require pupils to recite the following passage from the Declaration of Independence for pupils in grades four through six at the commencement of the first class of the day in the schools, except that a pupil shall not be required to participate if the pupil or the pupil’s parent or guardian believes recitation is not in the best interest of the pupil.”

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their creator with certain unalienable rights that among these are life, liberty and the pursuit of happiness; That to secure these rights, governments are instituted among men deriving their just powers from the consent of the governed.” If you do not want your child to participate in this, please notify the school office in writing.

School Materials and Supplies

All textbooks/technology will be furnished at no cost to the students. Students are responsible for textbooks issued to them for their use during the school year. If loss or damage (above normal wear) of the books occurs, parents and students will be expected to pay for such. If Parents/Guardians wish to donate classroom supplies such as pencils, paper, or notebooks, it would be greatly appreciated.

Parent Teacher Conferences

Parent Teacher Conferences can be scheduled and requested during any point in the school year. Parents may call and schedule an appointment with the teacher. In addition, district dates are scheduled for student led conferences each year. Parents/Guardians and teachers are partners in the education of the whole child.

MUSD participates in the National School Lunch/Breakfast Program that offers free and reduced prices to students who qualify. Information and applications are available at MUSD office, the school offices and online at www.maricopausd.org/childnutritionprograms. These applications must be renewed each school year.

- Full price: $2.75
- Reduced (must qualify): $0.40
- Free (must qualify)

Parents are always welcome to come and enjoy a meal with their child and purchase a separate breakfast and/or lunch. Parents are not allowed to take food from student trays. Call the food service department of your child’s school should you have any questions or concerns.

Paying for Lunches

Students are expected to pay for lunches provided by the school and will be allowed up to three charges. The cafeteria staff will send up to two written reminders. Parents/Guardians and will then call home if there is no response to the letters. After the third charge the child will receive a sandwich, serving of fruit and a drink until the account balance is cleared.

There are several ways for Parents/Guardians to pay for meals and weekly/monthly payment is encouraged. Parents will be able to pay for meals at the school or online. Student transactions will also be available to parents online.

- You may send money with your child in the form of cash, check ($25.00 returned check fee) or money order to be paid directly to the school cafeteria.
- You may go to the school, get a visitor’s pass, and go to the cafeteria yourself to pay on your child’s account.
- You may pay online with myschoolbucks.com. (information is available at school offices and from the cafeteria).

If you need to check the balance of your child’s account you may:

- Contact the school cafeteria at any time during cafeteria business hours (usually from about 7:00 am to 1:00 pm)
- Use myschoolbucks.com free of charge – this allows 24 hour access to check the balance of your child’s account and/or to view daily meal transactions. You may also set up a free email reminder for low balances online and the website will work with any cell phone web browser as well.

We must follow the Federal Healthy Snack guidelines/Wellness Policy for all MUSD schools

Wellness Policy

DISTRICT WELLNESS POLICY REGULATION CODE: Public Law 111-296, Section 204 SP-42-2011

Policy Intent

The Maricopa Unified School District promotes wellness by supporting good nutrition and regular physical activity as part of the total learning environment. Wellness is defined as the dynamic state of achieving optimal well-being in all the dimensions of health: physical, mental/emotional and social.

Nutrition Education

- Nutrition education shall be integrated within the comprehensive health education curriculum and taught at every grade level.
- The entire school environment, not just the classroom, shall support the nutrition education program and be linked to the school meal program – reaching classroom, cafeteria and community.
- All students shall have the skills necessary to make nutritious choices. Students will receive nutrition education that fosters the adoption and maintenance of healthy eating behaviors.
- Each school in MUSD will encourage staff to model healthy eating and physical activity as a valuable part of life. Our schools will strive toward integrating a coordinated school health approach.
- Parents will be provided the opportunity to give feedback on wellness goals through our website, email, parent conferences and family engagement events.

Nutrition Promotion

- All school meals promote fresh fruits, vegetables, whole grains, and low-fat items, including low-fat and fat-free milk.
- School meals shall be made attractive to students. To the extent possible, school and transportation schedules shall be designed to encourage participation in the school meal programs.
- After obtaining food, students will be provided adequate time (minimum of 20 minutes) to eat lunch.
- All food service personnel will have adequate training in food service operations including professional development in the area of food and nutrition. Food service personnel will also be in compliance with the New Professional Standards requirement from USDA which is effective July 1, 2015. The standards, another key provision of the Healthy, Hunger-Free Kids Act of 2010 (HHFKA), aim to institute minimum education standards for local school nutrition directors as well as annual training standards for all school nutrition professionals. These standards will ensure school nutrition personnel have the knowledge, training, and tools they need to plan, prepare, and purchase healthy products to create nutritious, safe and enjoyable school meals. This final rule will create...
Nutritional Guidelines for all Foods on Campus
- MUSD is a peanut restricted/peanut aware district. Food service staff is not responsible for unknown allergens.
- MUSD will regulate all food items sold including foods and beverages sold through vending machines, school stores and concessions, and will be consistent with federal and state nutrition guidelines, following the Smart Snack Rule that was effective July 1, 2014. This includes all PTO food and beverage sales during school hours.
- Food and Drug Administration Requirements for Vending Machines CACF-09-2016 published December 1, 2014; final rule NSLP institutions must comply by December 1, 2016. Items in vending machines will be required to have calorie labels so consumers have clear and regular nutrition information, allowing them to make informed and healthy choices when purchasing.
- Our district will regulate the nutritional quality of ALL a la carte items sold; regulating calorie, sugar, or saturated fat content of ALL items sold.
- Our school district will provide a specific and restricted list of food items allowed to be served/distributed. Consumption of food and beverages during the normal school day will follow USDA nutrition standards. Any class party will be held after lunch if possible.

Federal regulation states: Class parties held in individual classroom by a single class may be exempt from the nutritional regulations. Common areas are not exempt. Multiple classrooms participating in a combined party or event are subject to nutrition standards. Field days, group recognitions, etc., are not considered classroom parties and are not exempt. Class parties held in an individual classroom by a single class may be exempt by teacher’s discretion to celebrate birthdays, class achievement, holiday etc. Parent(s) may provide food items not meeting nutritional standards (food items must come from a commercial kitchen – cannot be homemade) or parent/teacher may use option of MUSD food services providing healthier food items.
- The normal school day includes before, during and after school, but does not include special events, such as athletic contests or performances held outside the normal school day. The normal school day is considered midnight to 30 minutes after the last bell.
- No outside food items will be allowed during breakfast and lunch serving times.
- Fundraising activities should support healthy eating and wellness following the nutrition standards. For the sale of food and/or beverages that do not meet the smart snack rule standards a revision was made in April 2015. Per memo HNS44-2015 – all exemption requests for fundraisers by Local Education Agencies (LEAs) will be approved by the Arizona Department of Education. ADE will track the number of exemptions granted and only take action to alter this policy if one or more LEAs abuse the policy. While ADE recognizes the importance of nutrition at our schools, we do not wish to have a deterrent effect on those wishing to raise funds for school functions. Per ADE any fundraiser should be a single event of duration not exceeding one week. A school principal or designated representative of the school will submit the request for the fundraiser. However, per USDA the State agency must specify to USDA the number of exemptions they may grant. If the State agency doesn’t respond – USDA will assume the State agency is electing to prohibit any exempt fundraisers.
- Our district food service program will comply with the federal and state nutrition guidelines that require the use of products that are high in fiber, low in added fats, sugar and sodium, consistent with calorie requirements and served in appropriate portion size. This will be consistent with USDA standards and shall be established for all foods offered by MUSD’s nutrition services department.
- In our district food service program, all grains will be at least 51% whole grain.
- Our district will not use food as a reward. All “treasure box” items must meet guidelines.
- Our district will prohibit soda and allow only water and beverages that are at least 50% juice K-8.
- Our district will sell only diet soda to high school students, 20 oz. max. Soda will not be available at any other campus.
- Our district will only sell low fat white and skim milk flavored.
- Students and staff will have access to free, safe and fresh drinking water throughout the school day. All drinking fountains will be maintained and kept in good working order.
- All of our school sites have drinking fountains but some are not accessible to all students during meal time. For those sites that do not have nearby drinking fountains in eating area – due to the eating area also being used for physical education class and safety concerns – a table with drinking water and small cups will be made available to the students during their meal time near the serving line.

Physical Activity
Physical education classes will be provided to students in all grade levels.
- It is recommended that physical education classes be provided at a minimum of two times per week for grades K-5 and meet MUSD requirement for grades 6-12. Nationally recommended amounts of physical education are 150 minutes per week at the elementary level and 225 minutes per week at the middle and high school level.
- Elementary students should accumulate a minimum of 120 minutes of age appropriate physical activity over the course of each full week, per national standards. Secondary schools should promote physical activities, both formal and informal, on a daily basis. Currently we provide PE 2 days per week at 30 minutes per day and a structured recess supported by Peaceful Playgrounds 3 days per week at 15 minutes. That is a total of 105 minutes per week for students in K-5.
- Physical education classes will have the same student/teacher ratios used in other classes.
- The physical education program shall provide adequate space and equipment and conform to all applicable safety standards.
- MUSD will not tolerate the use of physical activity as punishment, the withholding of participation in physical activity/education as punishment, or the use of physical education class time to complete assignments from other classes. Furthermore, restorative practices in the form of affective statements and questions and short impromptu conferences shall be used during physical activity to enhance student problem solving, address bullying or inappropriate play, and promote peer to peer socialization.
- Athletics, recess and/or other classes may not take the place of physical education. Physical education classes will be taught by a certified physical education instructor.
- Classroom physical activity opportunities shall be offered daily during the school day.
- MUSD promotes the use of school facilities outside of school hours for physical activity programs offered by community-based organizations.
- All students in grades K-5 shall receive daily supervised recess.

Activities to Promote Student Wellness
Our district will promote healthy choices through prominently displaying healthy foods in the cafeteria, use of posters and or food tastings and comparable pricing for healthy food options.
- District will have consistency of nutrition messages throughout the school – classroom, cafeteria, school hallways, etc.
- District will consider policies that will encourage physical activity such as increasing access to the gym or creating safer routes to bike or walk to school.
- MUSD will uphold current State policy regarding immunization and enforcement. Parents will receive education by the health staff regarding the risk of not immunizing and the health effect to the learning community.
- The school district will create, strengthen or work within existing school health advisory councils to develop, monitor, review and revise the Local Wellness Policy. The School Health Advisory Council (SHAC), which will consist of all USDA required participants, including teachers of physical
**Stakeholder Involvement**
The school district will establish a School Health Advisory Council (SHAC) comprised of parents, students, administrators, a member of the school board, community member, physical education instructor, nurse/school health professional and representative from the school food authority to review the local wellness policy; to develop, implement, monitor and improve nutrition and physical activity in the school environment. The activities of the SHAC will be reported to the school administration periodically.

**Local Discretion**
As long as all the required elements are present MUSD wellness policy shall be tailored to fit the needs of our schools.

**Public Notification**
MUSD shall inform and update the public (including parents, students, and others in the community) about the content and implementation of the local wellness policy. Public notification will include parent/student handbook, district website, and parent night/open house. MUSD will develop a process for members of the community who are not able to be a part of the committee, who wish to have input in the wellness policy development process. These individuals can register their concerns and recommendations with MUSD.

**Measuring Implementation/Evaluation**
The SHAC will meet annually during early implementation of policy and assessment of policy. On each school campus, schools shall establish a plan for implementation including principal designation of one or more individuals to ensure compliance with standards of MUSD wellness policy. Additionally, the public will have an opportunity for input at that time. Participants assessing the policy, date of assessment and documentation of any revisions will be noted. The Director of Food and Nutrition will prepare an annual report on MUSD’s compliance with the law and policies related to the wellness policy.

Students who self-carry their own medication must report to the Health Office after each use. The medication administration will be documented and the student examined.

### SAFETY

**Fire Drills**

Fire drills will be held on a regular basis in conjunction with the Maricopa Fire Department. Teachers will instruct the students on the exit route from their classroom. Students should leave the room quickly and in an orderly manner, in a single line and remain that way at their designated location until the return signal is given. It is very important that all students remain quiet in order to hear important directions.

**Lockdown Drills**

Lockdown drills are essential in case there is some kind of danger that would require students to be in their classroom and protected from any problems. A lockdown drill means that all students remain in the classroom with their teacher with the classroom door locked. No person (adult or child) will be able to walk the campus unless escorted by a designated school employee. It is very important that all students remain quiet in order to hear important directions.

### TECHNOLOGY

**Cell Phones**

Students may carry cell phones with them in their backpacks. Cell phones must be turned off during the school day unless the teacher has approved it for educational purposes. The school will not be held liable for cell phones and the students/guardians will be responsible in case the phone is lost, stolen or damaged.

**Electronic Information Services User Agreement (EISUA)**

The school’s information technology resources, including email and Internet access, are provided for educational purposes. Online communication constitutes web browsing, email, instant messaging, blogging, any use of network resources, etc. MUSD electronic resources include, but are not limited to, all hardware, software, data, communication devices, printers, servers, filtered internet access, and local and wide area networks. Online communication is critical for learners to apply 21st Century skills and employ tools such as interactive websites, blogs, video conferencing, podcasts, etc., which offer authentic opportunities for students to express and share information.

To keep students safe and comply with the Children’s Internet Protection Act (CIPA), the Electronic Information Services User Agreement (EISUA) is put in place and updated to accommodate the many educational and global changes to date. This EISUA is written for all those who use school-provided network connections. These connections may be used for classroom blogs, student emails, podcast projects, interactive websites, social media, and any other occasion students, teachers, or community members use school network resources. Adherence to the policy is necessary for continued access to the school’s technological resources.

The Electronic Information Services User Agreement (EISUA) can be found in Appendix A (pages 44 - 47)

**Go Guardian**

The use of Go Guardian monitors all school issued technology accounts. This program is in use for all students enrolled in the Maricopa Unified School District.

**G Suites for Education**

The Maricopa Unified School District is a G Suite for Education district, meaning all students will be issued a login to a G Suite for EDU account. User account information can be obtained from your child’s teacher. As part of daily instruction, students will be using several web-based instructional programs such as, but not limited to, enVision Math, SchoolCity, Google Apps for Education (Classroom, Docs, Drive, Sheets, etc.). These programs are also accessible from home and it is highly encouraged that your child uses their accounts from home as much as possible.

**Inappropriate Internet Use**

The following actions are not acceptable student behavior when using the internet at school:

- Retrieving or displaying any material that is defamatory, abusive, obscene, profane, gang-related, sexually threatening or explicit, racially offensive or illegal

● Stealing data, equipment, or intellectual property
● Using the network for illegal, inappropriate, or obscene purposes, or in support of such activities

Consequences of Violations

MUSD also has the right to monitor network activity to ensure that the acceptable use policy is followed. Consequences of violations include but are not limited to:

● Parent notification
● Restitution to repair or replace intentionally damaged equipment
● Suspension of internet, computer, or network access
● Revocation of internet, computer, or network access
● School suspension

GETTING TO AND FROM SCHOOL

Riding Bicycles, Scooters, or Walking to School
Students who do not ride the bus should arrive at school no earlier than thirty minutes before school starts and should leave the school grounds immediately after dismissal unless they are taking part in an organized after-school activity and have parental permission.

If students live within a mile from the school and have parental permission, then the rules listed below must be followed:

● Stay on sidewalks as much as possible
● Do not walk or ride bikes or scooters in the street
● Never walk or ride between parked cars
● Use only designated crosswalks to cross the street and always look both ways for oncoming traffic
● Walk bikes and scooters across the street
● Bike and scooter riders are REQUIRED to wear helmets
● Bikes and scooters need to be locked in the school bike racks
● The school is not responsible for the protection of a student’s bike or scooter
● Before and after school, students must walk bikes and scooters on or off the school grounds
● School administration may require students to take bicycle safety courses
● The school will not be responsible for stolen or damaged bicycles or scooters
● Skateboards, non-motorized scooters, roller skates and in-line skates may not be ridden on school campuses at any time
● A contract explaining regulations and safety may be required to be signed by the students and parent
● The school is not responsible for the loss, damage or theft of these items

BUS RULES & EXPECTATIONS
Students riding district buses are expected to follow the guidelines for bus riders:

● All students who ride the bus MUST ride the same AM bus every morning and the same PM bus every afternoon. We do not allow temporary changes to a student’s stop. Permanent changes should be reported to transportation as soon as possible, in order to make sure we provide the safest transportation for all students.
● Any student who does not behave appropriately on the bus or does not cooperate with the bus driver can lose bus-riding privileges for a period of time or the remainder of the school year. Refusal to obey any bus driver when he/she is enforcing the bus rules is a serious offense. We ask parents to emphasize the absolute necessity of following the bus rules. Remember our drivers are entrusted with the lives of our young people and they must have support to keep our children safe every day. They are authorized to assign seats at all grade levels.
● Kindergarten students must be met at the bus stop by an adult. Any kindergarten student not met at their stop will be returned to school.

All questions pertaining to transportation should be directed to the Transportation Director at 520-568-5100, once prompted select the transportation option.

Rules for Student Transportation
Arizona statutes do not mandate public transportation in this state. School bus transportation is provided as a courtesy and is a privilege, not a right. If a student’s conduct is such that the health, safety, comfort, or the well-being of others is jeopardized, or on or off the bus, a district official may deny the privilege of riding the bus. The school bus driver is in charge of the bus and all its passengers and has total authority and responsibility. Only designated district officials are authorized to suspend transportation privileges.

Student Conduct on the School Bus
Be Safe
● Listen to and follow staff directions
● Stay seated facing forward while being transported on the bus
● Keep head, hands, feet, and objects inside the bus and to yourself

Be Respectful
● Keep the bus clean and damage/graffiti-free
● Use quiet, inside voices
● Use school appropriate language

Be Responsible
● Follow all district/school policies
● Keep food, drink, and belongings in your backpack (water OK)
● Use electronics appropriately
School Bus Discipline
Based on the severity of the offense, the consequences will be adjusted as needed. All suspensions are based on actual school days (non-school days are not considered days served). The school administration will make contact with Parents/Guardians regarding any discipline behavior or suspension issues from the school buses. The final decision will be made by school administration.

Bus Misconduct Referral Policy and Procedures (Policy EEAEC)
Drivers are responsible for maintaining order on the buses. Administering sanctions for misconduct on the school bus is the responsibility of the transportation department. It is the responsibility of the transportation department to communicate information to administration who will advise the parents when a student has been suspended. In the event of misbehavior on the part of the student riding the bus, the bus driver may issue the student a “Bus Referral” for minor and/or major infractions. The driver will complete a School Bus Misconduct Referral Form.

- Depending on the nature and severity of the incident, the first bus referral may result in a written warning, or other disciplinary action, up to and including temporary or permanent suspension of bus privileges by the transportation director.
- The first bus referral on an activity bus will result in the suspension of activity bus riding privileges for the remainder of the semester or school year depending on the time of the year.
- Parents/Guardians contact will be initiated by an administrator regarding referrals and possible consequences.
- Severe infractions or second referrals will have a copy sent home as well. All referrals will be filed in the transportation office as well as the school site.
- Habitual misconduct will result in permanent suspension from the privilege of bus transportation. This procedure will not preclude the right and responsibilities of school officials to take other immediate action, as may be necessary in their judgment, for the preservation of good order and specifically for the safety and well-being of others who ride the bus. Suspension from bus transportation does not excuse the student from school attendance.

School Site Walking Boundary Regulations
The Maricopa School Board authorizes the regular school bus transportation to and from school for the following categories:

- Students with disabilities who require transportation, as indicated in their respective individual education programs (IEP).
- Students living within a one (1) mile radius (grades K-8) or one and one half (1.5) mile radius (grades 9-12) of the school where hazardous or difficult routes exist and where other arrangements cannot be provided.
- Students who are residents within a school attendance area and live more than one (1) mile radius (grades K-8) or one and one half (1.5) mile radius (grades 9-12) of the school.
- Transportation for pupils who do not reside within an established school attendance area, limited to no more than twenty (20) miles each way to and from the school of attendance or to and from a pickup point on a regular transportation route or for the total miles traveled each day to an adjacent school for eligible nonresident pupils who meet the economic eligibility requirements established under the National School Lunch and Child Nutrition Acts (42 United States Code sections 1751 through 1785) for free or reduced-price lunches.
- Transportation for homeless students to their school of enrollment, if it is the school of origin, will be arranged as needed by the school liaison for homeless students.

Transportation of Students Admitted Through Open Enrollment
A resident/nonresident student is eligible for district transportation on routes within the attendance boundaries of the school to which the student has been accepted for open enrollment. It is the responsibility of the parents or guardians of the student to have the student at a designated pickup point within the receiving school’s transportation area. If the parent is unable to transport the child to a stop within the school boundaries, the parent is responsible for providing transportation to and from school.

DISCIPLINE

MUSD PRIDES ITSELF IN PROVIDING SAFE SCHOOLS

General Philosophy
Students have the right to learn in a school that is safe and orderly. Proper student behavior is a REQUIREMENT at all Maricopa Unified School District schools. An emphasis is placed on good citizenship at each school. Good citizenship implies that students will take responsibility for their own behavior.

Arizona Safety Accountability for Education
Students who feel safe at school perform better academically than students who do not feel safe. The State of Arizona and MUSD have developed a new way of reporting school safety and discipline. For more information regarding violations and consequences, please refer to the MUSD Arizona Safety Accountability for Education handbook. School Board Policy states:

A student will be subject to disciplinary action when the student:

- Engages in conduct that is disorderly
- Engages in conduct that is insubordinate
- Endangers the safety, morals, health, or welfare of others
- Engages in conduct that violates the Board’s rules and regulations for the maintenance of public order on school property

Due Process Rights
In disciplinary cases, students are entitled to due process. Students will:

- Be informed of accusations against them
- Have the opportunity to accept or deny the
- Have explained to them the factual basis for the accusations

- Have a chance to present an alternative factual position if the accusations are denied

If a student does become involved in a situation in which a suspension or expulsion might result, both the student and his/her Parents/Guardians will be given a more detailed description of the due process procedures.

In-School Suspension
In-school suspension means that a student is detained at school, but is suspended from a class and isolated from other students for a specific time. Student is given classroom work to be completed for credit.

Short-Term Suspension
Short-term suspension means the temporary withdrawal of the privilege of attending school in MUSD for a period of ten consecutive days or less. The school principal has the authority to impose short-term suspensions. The student shall receive verbal notice of the alleged misconduct and the evidence that exists to support the allegation. The student will have an opportunity to explain his/her version of the facts. The school official may suspend the student for ten days or less, choose another disciplinary alternative or exonerate the student. A written record of the decision will be kept in the student’s discipline file. There is not a right to appeal a short-term suspension. In addition to imposing a short-term suspension the school administrator may recommend to the superintendent that a long-term suspension or expulsion be imposed.

Maricopa UNIFIED: A community dedicated to student success.
Long-Term Suspension
Long-term suspension means the withdrawal of the privilege of attending school in MUSD for a set period of time of eleven or more consecutive school days. After following informal Due Process, the administrator may choose to recommend long term suspension, choose another disciplinary alternative, or exonerate the student. If long term suspension is recommended, a written Notice of Intent to Impose a Long-Term suspension shall be mailed or hand delivered to the Parents/Guardians. This letter will explain the offense, the recommendations, and the rights of the Parents/Guardians to request a formal hearing.

Alternative to Long-Term Suspension
As directed by Governing Board regulation JKD-R, the Superintendent or his/her designee may recommend an alternative to long-term suspension program for students facing a long-term suspension if the criteria outlined in the regulation are applicable.

Alcohol/Drug Violations
If a long-term suspension is recommended and it is the first long-term suspension for an alcohol or drug offense, the principal may allow the student to return after a suspension of at least ten (10) days has been served and the student has successfully completed a district approved alcohol/drug assessment. Failure to satisfactorily complete the alcohol/drug assessment will result in the initial long-term suspension being reinstated. If a long term suspension is recommended and it is the second long-term suspension for an alcohol or drug offense, an assessment will not lessen the term of suspension. If the recommendation is for expulsion, an assessment will not lessen the recommendation. If financial assistance is needed for the assessment, the Parents/Guardians must put a request for financial assistance in writing to the principal.

Expulsion
Expulsion means the permanent withdrawal of the privilege of attending school in the Maricopa Unified School District unless the Governing Board reinstates that privilege. Specific behavior consequences will be defined and communicated to Parents/Guardians by individual site administrators. The student and Parents/Guardians will be informed when a student is subject to expulsion from school.

Expulsion requires official action of the Governing Board or a Board appointed hearing officer. Formal notification will include instructions regarding MUSD’s due process procedure. All documentation will be recorded in the student’s discipline file.

Parent Involvement in Student Behavior
Parental involvement in behavior and discipline issues is mandatory. Parents/Guardians will be notified of actions taken by the school for anything other than minor offenses and will be involved in developing plans to correct significant or chronic problems.

Possession of Harmful or Disruptive Items
Some examples of harmful items would be: items or materials that could cause bodily harm, liquid paper, aerosol sprays, water guns, knives and/or any other items that may constitute a weapon or cause harm to another. Contraband will be confiscated and kept with the principal until the parent picks up the item.

Restitution
Under Arizona law Parents/Guardians are liable for damage done by their children. This includes all technology devices. In any situation in which damages to school property occur, the students or Parents/Guardians are required to pay for damages. If restitution is not made in the designated time frame additional consequences will result.

Restriction of Privileges
The school administrator may notify Parents/Guardians of privilege restrictions. Such privileges include cafeteria, library, classroom, bus use, school passes, field trips and bicycle/scooter/skate/skate board use. A report of the restriction will be recorded in the student’s discipline file and in the student management system.

Searches
The administration has the right to search and seize property, including school property temporarily assigned to students, when there is a reason to believe that some material or matter detrimental to health, safety and welfare of the student(s) exists.

Items provided by MUSD for storage of personal items are provided as a convenience to the student but remain the property of the school and are subject to its control and supervision. Students have no reasonable expectation of privacy, and desk and storage areas may be inspected by school personnel at any time, with or without reason, or with or without notice, and without permission of the student or the student’s Parents/Guardians.
STUDENT VIOLENCE, HARRASSEMENT, INTIMIDATION, and BULLYING

Policy JICK © - Student Violence/Harassment/Intimidation/Bullying

The governing board believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The board further believes a school environment inclusive of these traits maximizes student achievement, fosters student personal growth, and helps students build a sense of community that promotes positive participation as members of society.

MUSD, in partnership with parents, guardians, students, and staff, shall establish and maintain a school environment based on these beliefs. MUSD shall identify and implement age-appropriate programs designed to instill in students the values of positive interpersonal relationships, mutual respect, and appropriate conflict resolution.

To assist in achieving a school environment based on the beliefs of the governing board, bullying, harassment or intimidation as defined by this policy will not be tolerated.

Bullying may occur when a student or group of students engages in any form of behavior that includes such acts as intimidation and/or harassment that:
- Has the effect of physically harming a student, damaging a student’s property, or placing a student in reasonable fear of harm or damage to property
- Is sufficiently severe, persistent or pervasive that the action, behavior, or threat creates an intimidating, threatening, or abusive environment in the form of physical or emotional harm
- Occurs when there is a real or perceived imbalance of power or strength, or may constitute a violation of law
- Bullying of a student or group of students can be manifested through written, verbal, physical, or emotional means and may occur in a variety of forms including, but not limited to, verbal, written, printed or graphic exposure to derogatory comments, extortion, exploitation, name calling, or rumor spreading either directly through another person or group or through cyberbullying, exposure to social exclusion or ostracism, physical contact including, but not limited to, pushing, hitting, kicking, shoving, or spitting, and damage to or theft of personal property

Cyberbullying

Cyberbullying is, but is not limited to, any act of bullying committed by use of electronic technology or electronic communication devices, including telephonic devices, social networking and other internet communications, on school computers, networks, forums and mailing lists, or other district-owned property, and by means of an individual’s personal electronic media and equipment.

Harassment

Harassment is intentional behavior by a student or group of students that is disturbing or threatening to another student or group of students. Intentional behaviors that characterize harassment include, but are not limited to, stalking, hazing, social exclusion, name calling, unwanted physical contact, and unwelcome verbal or written comments, photographs or graphics. Prohibitions and Discipline

Students are prohibited from any of the behaviors listed above on school grounds, school property, school buses, at school bus stops, at school sponsored events and activities, and through the use of electronic technology or electronic communication equipment on school computers, networks, forums, or mailing lists.

Disciplinary action may result for any of the behaviors listed above which occur outside of the school and the school day when such behaviors result in a substantial physical, mental, or emotional negative effect on the victim while on school grounds, school property, school buses, at school bus stops, or at school sponsored events and activities, or when such act(s) interfere with the authority of the school system to maintain order. All suspected violations of law will be reported to local law enforcement.

Reporting Incidents of Bullying

A student who is experiencing bullying, or believes another student is experiencing bullying, is to report the situation to the principal or another school employee. A school employee who becomes aware of or suspects a student is being bullied shall immediately notify the school administrator. School personnel shall maintain confidentiality of the reported information.

- **Step 1:** Report the situation directly to the office or to a trusted adult. The initial report can be verbal, but a written report of events will be needed as well, school personnel will provide the form.
- **Step 2:** The principal, assistant principal or disciplinarian, or principal’s designee will provide the student with a copy of student rights protections and any support services available. The parent/guardian will be notified of the report from the student.
- **Step 3:** The allegation will be investigated to determine if the incident meets the criteria/definitions listed above. Depending on the investigation, a mediation of the individuals involved may be necessary. If the allegation of bullying, harassment, intimidation and/or cyber bullying prove to follow the definitions/criteria, the school will take immediate disciplinary action

The initial notification of an alleged incident may be provided verbally. A detailed written description of the incident and any other relevant information must be provided on form(s) made available by the school and submitted to the administration within one school day of the verbal report. Should the principal be the employee who observes, is informed of, or suspects a student is experiencing bullying the principal shall document the incident or concern in writing. Failure by an employee to report a suspected case of bullying may result in disciplinary action up to suspension without pay or dismissal pursuant to Board Policies GCQP and GDQD.

Reprihal by any student or staff member directed toward a student or employee related to the reporting of a case of bullying or a suspected case of bullying shall not be tolerated, and the individual(s) will be subject to the disciplines set out in applicable district policies and administrative regulations.

At the time a student reports alleged bullying the principal shall provide to the student who has allegedly been bullied a written copy of student rights, protections and support services available to the student and shall notify the student’s parent(s) of the report. The principal shall investigate all reports of bullying. If the principal determines that bullying has occurred, discipline will be administered pursuant to Board Policies JK, JKD, and JKE.

Subject to the restrictions of the Family Educational Rights and Privacy Act (FERPA) set out in Policy JR, the parents/guardians of the involved students shall also be informed of the findings of the investigation.

In the event MUSD reports incidents to persons other than school officials or law enforcement all individually identifiable information shall be redacted. Restrictions established by FERPA on disclosure of personally identifiable student information must be observed at all times.

The MUSD Superintendent shall establish procedures for the dissemination of information to students, and parents/guardians. The information will include, but not be limited to,

These will include, when appropriate, procedures for contacting emergency medical services, law enforcement agencies, or both. Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. | Harassment, Sexual** | U.S. Department of Education, Office of Civil Rights, Revised Sexual Harassment Guidance: Harassment of Students by School Employees, Other Students, or Third Parties, Title IX, January 2001:  
Sexual harassment is unwelcome conduct of a sexual nature that denies or limits a student’s ability to participate in or to receive benefits, services, or opportunities in the school’s program. It can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Because sexual harassment of students is a form of sex discrimination prohibited by Title IX of the Education Amendments of 1972, it is governed by this statute and corresponding guidance. Title IX applies to any public or private school receiving federal funding.  
Does not include legitimate nonsexual touching or other nonsexual conduct, for example, a high school athletic coach hugging a student who made a goal or a kindergarten teacher’s consoling hug for a child with a skinned knee. Relevant factors in determining whether behavior rises to the level of sexual harassment include:  
- The degree to which the conduct affected one or more students’ education  
- The type, frequency and duration of the conduct  
- The identity of and relationship between the alleged harasser and the subject or subjects of the harassment  
- The number of individuals involved

**APPENDIX B**

**MUSD District Bring Your Own Device (BYOD) Policy**

The Maricopa Unified School District’s Bring Your Own Device Policy allows students to connect personal devices to the district’s WIRELESS network provided approval is granted from the principal or authorized designee, and the student’s parent or legal guardian. Parents who wish to allow their child to use a personal device must have signed off on the Parent Acknowledgements and Permissions form. This policy does not extend to district owned devices.

For purposes of this policy, “device” means personally owned electronic equipment with wireless internet capability that can be used for educational purposes. This includes, but is not limited to, laptops, netbooks, tablets, eReaders, smartphones, iPods, iPads, etc.

**Terms of Agreement**

- Access to the network is a privilege, not a right
- Use of my device while connected to the network is governed by the District’s Electronic Information Services User Agreement (EISUA) policies as set forth in the Maricopa Unified School District Policy Manual, and all other District policies and regulations pertaining to the use of technology resources
- I must receive signed authorization on the Parent Acknowledgements and Permissions form from my parent or legal guardian and the principal or authorized designee and before using my device on the network
- I must utilize MUSD network to connect to the internet on my device while on school grounds. This requires that I log in with my district-supplied student user ID and password. I am not to use a personal network, broadband, or other external connection to the internet
- I am not permitted to have any external network services or utilities running on my device while it is connected to MUSD network
- No personal network routers, access points, switches, hubs, network printers, or any other device besides that listed in this agreement, may be connected to the network at any time.
- Current antivirus software must be installed on my device and I must continue to have up to date virus definitions installed and configured
- I will not store any confidential District data on my device
- I am responsible for adhering to copyright and licensing laws and guidelines for all software on my device
- I understand this approval is granted for the current school year and must be reapplied for each school year

**Districts Rights**

- MUSD uses filtering technology and protection measures to restrict access to inappropriate material on the network; however, it is not possible to absolutely prevent such access. Inappropriate use may result in cancellation of permission to use the network and will be followed by prompt disciplinary and/or legal action
- An agent may be installed on my device as part of my use of the network. This agent will be used to ensure the security and management of the network. Administrators, faculty and other authorized district personnel may review files and messages to maintain system integrity and ensure that users are acting responsibly.
- The District’s Technology Director and/or the campus department supervisor or authorized designee may revoke my privilege to use the network when I am found violating any part of this policy

**Liability**

- I assume all liability when installing or uninstalling any software and do so at my own risk
- I assume all liability for improperly configuring my device
- I will not hold MUSD liable, under any circumstances, for theft, damage, loss of my device, or loss of data stored on my device

MUSD assumes no obligation for the support, either onsite, remotely, by email, or by telephone, of the personal device; neither will it accept any liability for modifications made to the device as a result of establishing a connection. The network continues to be configured in the best interests of the District-owned devices.
Positive Behavior Intervention Supports - PBIS

Maricopa Unified School District has adopted the Positive Behavior Intervention Supports or PBIS framework. School-Wide PBIS is a whole school three-tier approach to decreasing disruptive behaviors and increasing student success.

- One of the foremost advances in school-wide discipline is the emphasis on school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments.
- A continuum of positive behavior support for all students with all MUSD schools is implemented in areas including the classroom and non-classroom settings (for example hallways, buses, and restrooms).
- Attention is focused on creating and sustaining primary (school-wide), secondary (classroom), and tertiary (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making targeted behaviors less effective, efficient, and relevant, and desired behavior more functional. -PBIS.org

The main focus of PBIS is to provide a clear system for all expected behaviors at Maricopa Unified School District Schools. While many faculty and students may have assumptions of what is expected behavior, we cannot assume that everyone’s understanding and beliefs are similar. Through PBIS, we will work to create and maintain a productive, safe environment in which ALL school community members have clear expectations and understandings of their role in the educational process.

MUSD schools are implementing PBIS school-wide systems of positive behavior support that focus on taking a team-based approach and teaching appropriate behavior to all students in the school. Our three main overarching Behavior Expectations district wide are:

- Be Safe
- Be Respectful
- Be Responsible

Behavioral expectations are taught using similar teaching formats that are applied in the general curriculum. The rules are presented, the reasons are discussed, positive examples (correct way) are described and rehearsed, and non-examples (incorrect way) are described and modeled. Students are given the opportunity to practice the correct way until they demonstrate fluency. Appropriate behaviors are acknowledged. Once appropriate behaviors have been defined these desired behaviors are reinforced on a regular basis. Each school has their own reinforcement system used to reward positive behaviors.
