STUDENT RIGHTS AND RESPONSIBILITIES

JL-R REGULATION
All students are entitled to enjoy the basic rights of citizenship that are recognized and protected by laws of this country and state for persons of their age and maturity. Each student is obligated to respect the rights of classmates, teachers, and other school personnel. District schools shall foster a climate of mutual respect for the rights of others. Such environment will enhance both the educational purpose for which MUSD exists and the educational program designed to achieve that purpose.

All district personnel shall recognize and respect the rights of students, just as all students shall exercise their rights responsibly, with due regard for the equal rights of others and in compliance with the rules and regulations established for the orderly conduct of the educational mission of the district. Students who violate the rights of others or who violate rules and regulations of MUSD or of their school are subject to appropriate disciplinary measures designed to correct their own misconduct and to promote adherence by them and by other students to the responsibilities of citizens in the school community.

The following basic guidelines of rights and responsibilities shall not be construed to be all-inclusive, nor shall it in any way diminish the legal authority of school officials and the governing board to deal with disruptive students.

Rights

- Students have the right to a meaningful education that will be of value to them for the rest of their lives
- Students have the right to a meaningful curriculum and the right to voice their opinions, through representatives of the student government, in the development of such a curriculum

- Students have the right to be made aware of administrative and/or faculty/committee decisions and to be aware of the policies set forth by the governing board and school
- Legal guardians or authorized representatives have the right to see the personal files, cumulative folders, or transcripts of their children who are under the age of eighteen (18) years. School authorities may determine the time and manner of presentation of this information
- Students’ academic performance shall be the prime criterion for academic grades; however, noncompliance with school rules and regulations may affect grades (e.g., unexcused absences)
- Students shall not be subjected to unreasonable or excessive punishment
- Students have the right to be involved in school activities, provided they meet the reasonable qualifications of sponsoring organizations, state organizations, and school regulations
- Students have the right to express their viewpoints in accordance with district policy JICR - Freedom of Expression
- Married students share these rights and responsibilities, including the opportunity to participate in the full range of activities offered by the school, and shall be subject to the rules and regulations of the school

- Students have the responsibility to take maximum advantage of the educational opportunities available and seek to achieve a meaningful education
- All members of the school community, including students, parents, and school staff members, have the responsibility to promote regular attendance at school

DISTRICT/SCHOOL INFORMATION

Class Fees
Additional fees may apply to specific elective courses. If a student transfers from a course where a fee is applied and paid, a refund must be requested within 30 days by a parent/guardian.

Closed Campus
All MUSD campuses are closed campuses. Students are to remain on campus from the time of arrival in the morning until after their last class of the day. If a student is off-campus without permission, this is an off-campus violation and will result in disciplinary action. Food deliveries are prohibited. Students may bring their lunch or utilize the cafeteria only.

Non-Students: For reasons of security, only current year students are permitted on campus during the school day and after school. Parents and others wishing to conduct official business must report first to the administrative offices. All others will be deemed as trespassers and are subject to arrest (ARS Title 13).

Conferences
Parent/Teacher conferences may be scheduled with the student’s teachers as needed during the school year.

Counseling Services
Counselors are here to assist students, teachers and parents with school and social matters. Please urge your students to contact their counselor when academic or social concerns impede learning. Counselors are available by appointment, phone or email to answer questions and discuss concerns from parents.

Daily Announcements
Publication of campus announcements will vary by site.

Dances
Students must show their valid MUSD School ID in order to enter a dance; those who arrive without their current year ID will not be allowed entrance. Students may invite one guest to Homecoming, Prom and Winter Formal/Spring Fling. A guest pass application must be obtained through the administrative offices and is due back to the office no later than one week prior to the dance. Failure to meet the stated deadline will result in a denial of the request. Guests must provide a copy of their current school or state issued photo ID and must be in high school (grades 9-12), or have graduated from MHS no longer than one year previously. Anyone 21 or older will not be allowed access to MHS dances. All dance attendees are subject to the same dance regulations as MHS students.

Prom only: guests who do not meet the standard guest requirements will be considered on a case by case basis. Students with a disciplinary record while enrolled in another school or previously enrolled in Maricopa High School may be denied admission to dances.
Early Release Students
Students who qualify for an early release schedule must sign a contract of understanding and cannot be on campus more than 10 minutes before a late start or 10 minutes after an early release. Students with an early release may not return to campus to ride the school bus for transportation. Students found on campus in excess of the 10 minutes may be subject to disciplinary action and a schedule change to revoke the early release or late start status. Students involved in after school activities must make arrangements to return to campus at the conclusion of the regular school day. All early release and late start students are required to register their vehicles and purchase the parking pass decal in the bookstore.

FERPA
The Family Educational Rights and Privacy Act (FERPA) is a complex federal law that protects the privacy interests of parents and students with regard to educational records. Generally, FERPA gives parents the right to inspect and review their children’s education records, request amendment of the records, and have some control over the disclosure of information from the records. When a student turns 18 or enters college, FERPA classifies him or her as an “eligible student” and transfers the rights under the Act from the parent to the student. FERPA requires school districts to notify parents and eligible students annually of their rights under the Act. When you turn 18 years of age, you have the right to your FERPA records. Please refer to the MUSD Programs & Course Description Book for further information regarding FERPA rights.

Student Identification Cards (ID)
All students are to carry their school issued student photo ID card issued by each school site at all times while on campus.

Students will be REQUIRED to show/use their ID cards for the following:
- Show any/all staff for purposes of safety
- Show bus drivers for transportation access to and from school
- Scan for access to lunch accounts in the cafeteria
- Scan for book check-out in the library
- Scan for book check-out in the bookstore
- Show for purchase of a student parking decal – High School only
- Show for verification to pick up confiscated items in the office
- Show as verification of early release or late start status (only seniors who qualify)

A free student ID is available the first two weeks of school or within two weeks of enrollment. The ID must always be legible, and in its original condition. If an ID is found to be defaced or damaged, the ID will be confiscated and the student will be required to purchase a new ID. A lanyard will be provided for the first ID only. Students who fail to comply will be subject to disciplinary action and denial of services. If the card is lost, stolen, or damaged there is a $2.00 replacement fee, to be paid through the bookstore.

Lockers
Lockers are the property of MUSD. Students may have access to a locker if needed. Students have no expectation of privacy for anything stored in a locker and all lockers are subject to search by district personnel at any time. Lockers may only be secured with school issued locks. Personal locks will be removed. All lockers must be cleaned out prior to the end of the school year.

Lost and Found
Lost and Found is located in the bookstore. Students should check the bookstore before school, during lunch, or after school to claim lost items. We encourage you to label all clothing, musical instruments and other personal items. All unclaimed items are donated to charity at the end of each quarter.

Military
If a student chooses to not have their information shared with the military services, please submit a letter to the counseling office.

ParentVue / StudentVue Portal
The ParentVue portal allows parents/guardians to view the school information and information about their child, including grades and attendance. The information is accessed directly from the student records system, Synergy, so the records are always up-to-date. While the website is accessible through the internet, access is secured via a login and password. Parents can only see information about their own children, and cannot see the records for other students. Parents may only screen the information and cannot make changes to the student’s record. Parents/guardians must provide identification, have educational rights, and supply a valid email address to the school in order to obtain the activation code for access to the portal.

Returned Check Policy
Checks are gladly accepted by Maricopa Unified School District 20. Payment will need to be made in cash or money order for any checks returned as unpaid to MUSD.

Signs and Posters
Clubs and organizations or persons desiring to display posters must have authorization by the Activities/Facilities Director. All posters, decorations, and tape must be removed by 6:30 a.m. the school day following the activity. Publicity for election campaigning must follow the rules of good taste. Posters can only be placed in designated areas attached with painter’s tape to minimize damage to paint. Posters cannot be placed in the center window of the doors.

Student Activity Pass- MHS
A student activity pass is available at the beginning of each school year for a cost of $35.00. This pass entitles students to free admission to student council sponsored dances, home athletic events, except A.I.A. tournaments, band concerts, choir concerts, dance concerts or prom. Replacement cost is $5.00.

Student Fees, Fines and Charges
Students may be held responsible and accountable for loss of or damage to school property, including textbooks and library books. For purposes of this regulation, the term “loss” includes a student’s failure to return school property at the conclusion of a semester or course or by the date established by school site administrators.

In accordance with Arizona law (A.R.S. 15-727), MUSD will hold students using the textbooks, subject matter materials, supplementary books and instructional computer software responsible for the damage or loss of those item(s). If a student for any reason requires a second copy of a textbook, subject matter materials, supplementary books and instructional computer software, the student will be required to reimburse MUSD for the cost of those item(s). MUSD will use all monies obtained for lost or damaged items for the purpose of new textbooks, subject matter materials, supplementary books and instructional computer software.

The following penalties or consequences may be imposed upon a student that loses a school owned textbook/technology, subject matter material and supplementary books.
- A student who is a graduating senior may not be permitted to participate in commencement ceremonies. MUSD may file a complaint against the parent or adult student seeking damages for the lost item(s).

Student Parking - MHS
All students who wish to park in the student designated parking areas are required, by policy, to register each vehicle in the bookstore. Students are not permitted to park in lots not designated for student parking. The parking application is available in the MHS Bookstore. The annual fee for parking is $30.00. The decal must be placed in the inside top corner of the windshield. There is a $10.00 cost fee to replace a decal.

Students are allowed to use designated parking as a convenience. All cars parked on the MHS campus are subject to search by district personnel at any time. Students have no expectation of privacy for anything stored in their vehicles on school grounds. Desert Wind and Maricopa Wells Middle School students are not permitted to drive a motor vehicle to school.

Parking Rules: Loss of parking privileges may result from, but are not limited to the following:
- Failure to register and display a valid current year parking decal
- Excessive speed
- Driving recklessly
- Transporting alcohol, illegal substances, or dangerous weapons
- Leaving campus without permission
- Transporting students off campus who should otherwise be on campus
- Exhibiting other unsafe or disruptive behaviors
- Violation(s) of littering

Students park at their own risk and are subject to consequences at the owner’s expense (i.e. revocation of parking permit, wheel clamps, or towing) for violations of parking/driving regulations. Maricopa High School is not responsible for vehicular damage, theft, loss of property or expenses/damages while parked on campus.

Telephones
Teacher telephones are business phones and are not available for student use. Students may use the front office phone for urgent calls if needed, but will not be called out of class for phone calls. Calls to teaching staff during the academic day will be forwarded to voicemail.

Such activities will be established and designed to offer students worthwhile athletic and leisure-time interests, wholesome recreational and social activity, and an opportunity to develop skills in democratic and cooperative management for these activities. These programs will be appropriate to the maturity of students and as varied as staff and facilities permit. All such activities conducted under the auspices of the District shall be under the direct supervision of the certificated individual responsible for the activity. It is necessary to have the extracurricular activities function within a realistic framework of control. In order that overenthusiastic students do not place a social or athletic function on a higher plane than the academic program, the following policy will be adhered to:

• NATIONAL HONOR SOCIETY: Students who have been inducted in the society will be recognized with a gold NHS Stole. Class Rankings follow Policy IKC-II.7100

A. B. The eligibility criterion for extracurricular participation shall be a passing grade in all classes in which the student is enrolled, and the student shall maintain progress toward promotion or graduation.

C. The responsibility for notification of students and parents of these requirements and for enforcement of the above rule rests with the Superintendent.

Students and the parents/guardian shall be notified of ineligibility in a manner such that confidentiality is maintained when:

A. Ineligibility is pending.
B. Ineligibility is determined to be necessary.

Support services shall be made available to students who become ineligible for extracurricular programs as well as to students notified of pending ineligibility.

A. Students whose behavior presents a problem or jeopardizes school discipline may be ineligible for participation in extracurricular activities until such time as their behavior warrants reinstatement. The same general standards shall apply for special education students except that such eligibility shall be determined on a case-by-case basis in relationship to the respective students’ individual education programs.

B. The Superintendent shall consult with and invite comment on this policy from parents and teachers and shall make recommendations to the Board regarding this policy, as necessary, after considering such comments. The Board, as a part of the procedure for adoption of this policy, shall hold a public hearing on the contents of this policy. A school district governing board, a charter school or an interscholastic athletic association of which a school district governing board or charter school is a member may not prohibit a pupil from wearing a religious or cultural accessory or hair piece while participating in an extracurricular or athletic activity if the accessory or hair piece does not jeopardize the health or safety of the pupil or any other person participating in the activity, as determined by the supervisor of the extracurricular activity or the official of the athletic activity.

The Superintendent shall establish regulations to ensure that:

A. Necessary documents in support of this policy are maintained.
B. Necessary data related to ineligible students are collected and reported as required by law.

Student Council is an important part of the school. Student Council is an organization through which the students may express their opinions and assist in the functions of the school. Student Council promotes leadership and initiative. A president, vice-president, secretary and treasurer of the student body are elected to represent the student body during the school year. Grade level representatives are elected to the council. Groups and individuals who wish to sell products on campus must be officially recognized school organizations, and must have the sale approved by the student council. All funds collected must be deposited in the school’s student funds account.

A student who is experiencing bullying, or believes another student is experiencing bullying, is to report the situation to the principal or another school employee. A school employee who becomes aware of or suspects a student is being bullied shall immediately notify the school administrator. School personnel shall maintain confidentiality of the reported information.

- **Step 1:** Report the situation directly to the office or to a trusted adult. The initial report can be verbal, but a written report of events will be needed as well, school personnel will provide the form.
- **Step 2:** The principal, assistant principal or disciplinarian, or principal’s designee will provide the student with a copy of student rights protections and any support services available. The parent/guardian will be notified of the report from the student.
- **Step 3:** The allegation will be investigated to determine if the incident meets the criteria/definitions listed above. Depending on the investigation, a mediation of the individuals involved may be necessary. If the allegation of bullying, harassment, intimidation and/or cyber bullying prove to follow the definitions/criteria, the school will take immediate disciplinary action.

The initial notification of an alleged incident may be provided verbally. A detailed written description of the incident and any other relevant information must be provided on form(s) made available by the school and submitted to the administration within one school day of the verbal report. Should the principal be the employee who observes, is informed of, or suspects a student is experiencing bullying, the principal shall document the incident or concern in writing. The principal shall investigate all reports of bullying. If the principal determines that bullying has occurred, discipline will be administered pursuant to Policies JK, JKD, and JKE.

Regardless of the outcome of the investigation, the principal will meet with the involved students to review the findings of the investigation. Subject to the restrictions of the Family Educational Rights and Privacy Act (FERPA) set out in Policy JR, the parents/guardians of the involved students shall also be informed of the findings of the investigation.

Documentation related to reported bullying and subsequent investigation shall be maintained by MUSD for not less than six years. In the event MUSD reports incidents to persons other than school officials or law enforcement all individually identifiable information shall be redacted. Restrictions established by FERPA on disclosure of personally identifiable student information must be observed at all times.

The MUSD Superintendent shall establish procedures for the dissemination of information to students, and parents/guardians. The information will include, but not be limited to, Governing Board policies, incident reporting, support services (proactive and reactive) and student’s rights.

The dissemination of this information shall:

- Occur during the first week of each school year
• Be provided to each incoming student during the school year at the time of the student's registration
• Be posted in each classroom and in common areas of the school
• Be summarized in the student handbook and on MUSD website, and the Superintendent shall establish procedures for the dissemination of information to district employees including, but not limited to:

These will include, when appropriate, procedures for contacting emergency medical services, law enforcement agencies, or both. Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary pursuant to any part of this policy, relevant district policies shall be followed. Enforcement of School Rules off Campus
School rules and other reasonable expectations of appropriate student behavior are extended to include student conduct while off campus during the regular school day. This includes student conduct while traveling to and from school, during lunch and release times. School authorities may discipline a student for any misconduct while off campus during these times. School rules will be enforced for all school events on or off district property. Disciplinary action will be imposed for improper conduct off campus that is found to be connected with incidents on campus. In accordance with district Regulation JK-RU-4611, students may be subject to disciplinary action when they are believed to have or actually have committed a crime, regardless of school hours, if the conduct is deemed to affect the school order.

Hall Passes
Students are expected to remain in class during the entire instructional period. Restroom passes will be provided to students as needed, understanding that instructional time is valuable and will be limited unless necessary. When a student receives permission from a teacher to leave the class, they must sign out and take the school issued teachers hall pass. Other passes will not be accepted. A student with no pass will be considered out of class without permission and may be subject to disciplinary action. It is the expectation that students utilize passing periods to use the restroom. Students with health conditions/concerns must provide the health office with proper documentation if needed.

Search and Seizure
School administration or their designee have the right to search students and seize property including school property temporarily assigned to students when there is reasonable suspicion to believe that some material or item is detrimental to the health, safety, and welfare of the student(s) and is in their possession or control. Searches may include student’s personal property such as backpacks or pockets. Any search will be reasonable in scope and not excessively intrusive on the student considering the age, gender, and nature of the infraction. Items provided by the school for storage (P.E lockers, desks) of personal items are provided as a convenience to the student and remain the property of the school and are subject to its control and supervision. They may be inspected at any time, with or without reason, or with or without notice by school personnel. Administrative searches are random searches not based on specific suspicions. Administrative searches will be conducted by school administrators or their designee as deemed appropriate. Students who use, possess, or sell substances that they represent as being drugs may be subject to the above policy JH/JU-J-3400 and JLIE-RU-6661.

Student Grievances
Students may present a complaint or grievance regarding one or more of the following:
  ✔ Violation of the student’s constitutional rights
  ✔ Denial of an equal opportunity to participate in any program or activity for which the student qualifies unless denial is related to the student’s individual capabilities
  ✔ Discriminatory treatment on the basis of race, color, religion, sex, age, national origin, or disability
  ✔ Harassment of the student by another person
  ✔ Concern for the student’s personal safety
  ✔ Intimidation by another student
  ✔ Bullying by another student

Provided that:
  ✔ The topic is not the subject of disciplinary or other proceedings under other policies and regulations of this district
  ✔ The procedure shall not apply to any matter for which the method of review is prescribed by law, or the Governing Board is without authority to act.

Due Process
Students in MUSD have rights, and in disciplinary cases, students are entitled to due process. This means students:
  ✔ Must be informed of the accusations against them
  ✔ Must have an opportunity to accept or deny the accusations
  ✔ Must have the factual basis for accusations explained to them
  ✔ Must have a chance to present an alternative factual position if the accusations are denied

Guidelines:
  ✔ The accusation must be made within thirty calendar days of the time the student knew or should have known that there were grounds for the complaint/grievance
  ✔ The complaint/grievance shall be made only to an administrator or professional staff member
  ✔ The person receiving the complaint will gather information for the complaint
  ✔ The person receiving the complaint shall preserve the confidentiality of the subject, disclosing it only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law

Maricopa UNIFIED: A community dedicated to student success.
• All allegations shall be reported on forms with the necessary particulars as determined by the Superintendent
• Any question concerning whether or not the complaint/grievance falls within this policy shall be determined by the Superintendent
• Complaints by students may be made only by the students on their own behalf
• A complaint or grievance may be withdrawn at any time. Once withdrawn, the process cannot be reopened if the resubmission is longer than thirty calendar days from the date of the occurrence of the alleged incident. False or unfounded complaint documentation shall not be maintained
• Retaliatory or intimidating acts against any student who has made a complaint under this policy and its corresponding regulations, or against a student who has testified, assisted or participated in any manner in an investigation relating to a complaint or grievance, are specifically prohibited and constitute grounds for a separate complaint
• Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary pursuant to any part of this policy, relevant district policies shall be followed
• When District officials have a reasonable belief or an investigation reveals that a reported incident may constitute an unlawful act, law enforcement authorities will be informed

Secondary Dress Code
MUSD encourages students to take pride in their attire as it relates to the school setting. Students should dress in a manner that, in addition to the following guidelines, takes into consideration the educational environment, safety, health, and welfare of safety and others. MUSD recognizes that each student’s mode of dress and grooming is a manifestation of personal style and individual preference, and as such, will not interfere with the right of students and their parents/guardians to make decisions regarding their appearance, except when their choices affect the educational program of the school or the health and safety of others. Policy JICA-R

Dress Code Consequences
Students who are deemed to be in violation of the dress code will be removed from the classroom and provided one opportunity to comply (change, remove item, call parent). All violations will be documented and are subject to disciplinary action.

• 1st Infraction: If suitable clothing is not available through the school, a parent/guardian will be contacted to supply needed clothing so the student can continue with their academic day
• 2nd Subsequent Violation: Students will be subject to site based disciplinary action, which may include parent pick up.

HEALTH SERVICES

Health Office
The health office is open during school hours and can be contacted by calling the school. During class time, a student must have a pass signed by a teacher to see someone in the Health Office (except in an emergency).

Please remember that the Health Office is not a substitute for medical care cannot diagnose or prescribe for your child. Sick children should stay home or be taken to the doctor. The school does not provide transportation for routine medical care.

The Health Office Staff is prohibited by law from administering medication of any kind, including Tylenol, without a written order from a Primary Care Provider who is allowed by law to prescribe medications. Parents/Guardians must also give permission to administer medication. All medication, prescription and over-the-counter, is kept in the health office in the original container and packaging. Students are not allowed to self-carry any medication, prescription or over-the-counter, except for medication and/or equipment required for diabetes, asthma, or severe allergic reaction per state law and Governing Board policy. Self-Carry medication forms, along with Medication Order and for medication Administration forms are available in the Health Office. In order to self-carry a medication related to diabetes, asthma, and/or severe allergic reaction the student must also understand the medication, why it is being used and how to properly administer the medication. In elementary school, self-administration of these medications may be limited to 4th and 5th grade students.

Illness
If a student is ill or injured, the Parents/Guardians should check with a doctor before sending a child to school. The best place for a child who is ill is at home in the care of an adult. If a student becomes ill at school, Parents/Guardians will be notified. . . Upon becoming ill at school, the student must obtain a pass from the teacher and go to the Health Office. If necessary, the Health Office Staff will contact the parent to take the student home. It is essential that parents/guardians have a plan for picking up their ill child in a timely manner. In any emergency, the school Health Office Staff or an administrator will notify the Parents/Guardians. If deemed necessary, paramedics may be called.
- When students are injured and/or sick, it is IMPERATIVE that we contact Parents/Guardians quickly. Please inform the school office of any changes in phone numbers and/or contacts as soon as possible. IMPORTANT: We must have the names and numbers of persons to contact in case of an emergency if we are not able to reach a parent.
- Any student with, or recovering from, a communicable disease will not be permitted in school until the period of contagion is passed or until a doctor recommends a return.
- Children with any illness should stay home for at least 24 hours after a fever of 100.4 or greater has been normal without the aid of any medication. A child with vomiting, nausea, or diarrhea must be symptom free without the use of any medications for a 24 hour period.

Immunizations
State law requires immunizations against diphtheria, tetanus, pertussis (DTap), rubella (measles), mumps and rubella (MMR), poliomyelitis, and Hepatitis B. State law also requires that parents provide an immunization history and official immunization records for each child at the time of registration.

Students will not be admitted without immunizations being current. Parents are asked to provide documentation of any immunizations received during the year to the school Health Office. Staff school immunization records can be kept up-to-date. Children can be exempted from immunizations in the following circumstances:
- A Primary Care Provider (PCP) certifies that one or more of the immunizations would endanger the child’s life.
- If Parents/Guardians complete the Arizona State Health Department online immunization education and submit the completed certificate to the school Health Office. Although the law allows exemptions, the County Health Department may tell the school to exclude a child from school if there is an outbreak of any of the diseases listed above.

Medication Procedures
Students are not allowed to possess prescription drugs or over-the-counter medication, including cough drops while on school grounds during school hours and activities. All medication is to be taken directly to the school Health Office by Parents/Guardians.

Per Governing Board Policy J-5350 JLCD, students are not allowed to carry prescription or over-the-counter medication on their person without consent from their healthcare provider. If a student requires medication during the school day, the following policy is in place:
- The medication must be prescribed by the student’s licensed health care provider.
- A parent/legal guardian must bring the medication to the health office. Students are not allowed to bring medication to the health office.
- Prescription medication must be in the original pharmacy container, labeled with the student’s name, date prescribed, name of medication, dosage, route, time the medication is given during the school day, and the name of the prescribing physician on the label.

Administration by School Personnel
Besides the above Governing Board Policy, the following are also protocols for medication administration:
- The information on the prescription bottle must be the same as the PCP order.
- Medication will usually be administered by Health Office Staff in the Health Office.
- An administrator may designate a properly trained school employee to administer the medication.
- Each administration of prescription drugs must be documented.
- Drugs must be kept in their original container in a locked cabinet.

Self-Administration of Prescription Drugs
When the PCP feels it is necessary for the student to carry and self-administer the medication, the PCP shall provide a written recommendation to be attached to the signed parent permission form.

- The Parents/Guardians must provide written permission for the student to self-administer and carry the medication. Appropriate forms are available from the health office.
- The medication must come in the prescription container provided by the pharmacist.
- The student must be able to understand the medication’s use, the proper dose and how to properly administer the medication. Students in kindergarten through 3rd grade may not be able to self-carry their medications.
- Students who self-carry their own medication must report to the Health Office after each use. The medication administration will be documented and the student examined.

Control of Student Medication
Use or administration of medication on school premises may be disallowed or strictly limited if it is determined by the principal, in consultation with medical personnel, that a threat of abuse or misuse of the medicine may pose a risk of harm to a member of the student population. The student shall take extraordinary precautions to keep secure any medication or drug, and under no circumstances shall make available, provide, or give the item to another person. The student shall immediately report the loss or theft of any medication brought onto school campus. Violation of this regulation may subject the student to disciplinary action.

SAFETY & WELLNESS

Fire Alarms, Lock-Downs and Evacuations
Each school maintains detailed plans for dealing with emergency situations and has excellent communication with local law enforcement agencies. Schools participate in monthly fire drills and/or school-wide lockdown drills.

Fire Drills
Fire Drills occur monthly at each school. When the FIRE ALARM sounds, students should evacuate the building in an orderly, quiet manner and follow the instructions of staff members in charge. Students should not stand on paved areas where emergency vehicles may need to pass. Students reporting and/or creating false fire alarms will be subject to disciplinary action from administration and referral to Maricopa Police Department.

Lockdown Drills
Lockdown drills are essential in case there is some kind of danger that would require students to be safely in their classrooms. A lockdown drill means that all students remain in the classroom with their teacher with the classroom door locked. No person (adult or child) will be able to walk the campus unless escorted by a designated school employee. It is crucial for all students remain quiet in order to hear important directions.

Emergency Care at School
The health office staff is certified in cardiopulmonary resuscitation (CPR) and first aid. During an emergency medical event, the licensed nurse or building principal may determine that for the health and safety of a student who has been injured or having a severe medical emergency a 911 call is necessary. Parent/legal guardians are contacted immediately. It is always the hope that a parent can come to the school to go with their student to a designated hospital. In the event that is not possible, the Director of Health Services or a staff member designated by the building principal will accompany the student. Contact with the parent/legal guardian will be maintained during transport whenever possible. It is the responsibility of the parent/legal guardian to pay all transport and medical hospital bills as the result of the injury or medical event.

Child Abuse
School employees cannot ignore child abuse. By law, reasonably suspected cases of non-accidental injury, sexual molestation, abuse and neglect must be reported to Child Protective Services or the local law enforcement agency. People who are required to report suspected abuse are protected from civil or criminal liability. (ARS 13-3620)

Mandatory Reporting of Criminal Activities to Authorities
Arizona State Statutes (ARS 13-3620) require schools and school employees to report criminal activity to local law enforcement. Schools are also required to report incidences of child abuse, neglect, and crimes against children to local law enforcement and Child Protective Services. Recent changes in the law require schools to report threats, or rumors of threats, made against schools, students, and school personnel. Schools must also report all incidents of non-accidental injuries that might occur during altercations at school.

We must follow the Federal Healthy Snack Guidelines/Wellness Policy for all
MUSD schools.

**District Wellness Policy**
**DISTRICT WELLNESS POLICY REGULATION CODE: PublicLaw 111-296, Section
204 SP-42-2011**

Policy Intent
MUSD promotes wellness by supporting good nutrition and regular physical activity as
part of the total learning environment. Wellness is defined as the dynamic state of
achieving optimal well-being in all the dimensions of health: physical, mental/emotional,
and social. This policy is enacted in the following:

**Physical Education**
• Physical education classes will be taught by a certified physical education
  instructor. Classroom physical activity opportunities shall be offered daily
  during the school day. MUSD promotes the use of school facilities outside
  of school hours for physical activity programs offered by community-based
  organizations.
• Physical education classes will be provided to students in all grade levels.
• Physical education classes will have the same student/teacher ratios used in
  other classes.
• The physical education program shall provide adequate space and
  equipment and conform to all applicable safety standards.
• MUSD will not tolerate the use of physical activity as punishment, the
  withholding of participation in physical activity/education as punishment, or
  the use of physical education class time to complete assignments from
  other classes. Furthermore, restorative practices in the form of affective
  statements and questions and short impromptu conferences shall be used
during physical activity to enhance student problem-solving, address
  bullying or inappropriate play, and promote peer to peer socialization.
• Athletics, recess, and/or other classes may not take the place of physical
  education.

**Nutritional Education**
• Nutrition education shall be integrated within the comprehensive health
  education curriculum and taught at each level.
• The entire school environment, not just the classroom, shall support the
  nutrition education program and be linked to the school meal program
  reaching classroom, cafeteria and community.
• All students shall have the skills necessary to make nutritious choices.
  Students will receive nutrition education that fosters the adoption and
  maintenance of healthy eating behaviors.
• Each school in MUSD will encourage staff to model healthy eating and
  physical activity as a valuable part of life. Our schools will strive toward
  integrating a coordinated school health approach.
• Parents will be provided the opportunity to give feedback on wellness goals
  through our website, email, parent conferences and family engagement
  events.

**Nutrition Promotion**
• All school meals promote fresh fruits, vegetables, whole grains, and low-fat
  items, including low-fat and fat-free milk.
• School meals shall be made attractive to students. To the extent possible,
  school and transportation schedules shall be designed to encourage
  participation in the school meal programs.
• After obtaining food, students will be provided adequate time (minimum of
  20 minutes) to eat lunch.
• All food service personnel will have adequate training in food service
  operations including professional development in the area of food and
  nutrition. Food service personnel will also be in compliance with the New
  Professional Standards requirement of the USDA which is effective July 1,
  2015. The standards, another key provision of the Healthy, Hunger-Free
  Kids Act of 2010 (HHFKA), aim to institute minimum education standards
  for local school nutrition directors as well as annual training standards for all
  school nutrition professionals. These standards will ensure school nutrition
  personnel have the knowledge, training, and tools they need to plan, prepare,
  and purchase healthy products to create nutritious, safe and
  enjoyable school meals. This final rule will create minimum hiring standards
  for new school food authority (SFA) directors based on a school district’s size
  and require minimum annual training for all new and current school nutrition
  professionals.
• Students shall be provided a pleasant environment in which to eat lunch.
• MUSD will share and publicize information about the nutritional content of
  meals with students and parents.
• MUSD will provide peanut-free zones and complies with special dietary
  needs for students as defined in the ADE special dietary needs manual.

**Nutritional Guidelines for All Foods on Campus**
• MUSD is a peanut/peanut butter aware district. Food service staff
  is not responsible for unknown allergens.
• MUSD will regulate all food items sold including foods and beverages
  sold through vending machines, school stores and concessions, and
  will be consistent with federal and state nutrition guidelines, following the
  Smart Snack Rule that was effective July 1, 2014. This includes all
  PTO food and beverage sales during school hours.
• The Food and Drug Administration Requirements for Vending Machines CACF-09-2016 (published December 1, 2014; final rule NSLP institutions must comply by December 1, 2016) requires that items in vending machines have calorie labels so consumers have clear and regular nutritional information, allowing them to make informed and healthy choices when purchasing.
• MUSD will regulate the nutritional quality of all a la carte items sold; regulating calorie, sugar, or saturated fat content of all items sold.
• MUSD will provide a specific and restricted list of food items allowed to be served/distributed. Consumption of food and beverages during the normal school day will follow USDA nutrition standards. Any class party will be held after lunch if possible.

Federal regulation states that class parties held in individual classroom by a single class may be exempt from the nutritional regulations. Common areas are not exempt. Multiple classrooms participating in a combined party or event are subject to nutrition standards. Field days, group recognitions, etc., are not considered classroom parties and are not exempt. Class parties held in an individual classroom by a single class may be exempt by teacher’s discretion to celebrate birthdays, class achievement, holiday etc. Parents may provide food items not meeting nutritional standards (food items must come from a commercial kitchen—cannot be homemade) or parent/teacher may use option of MUSD Food Services providing healthier food items.

• The normal school day includes before, during and after school, but does not include special events, such as athletic contests or performances held outside the normal school day. The normal school day is considered midnight to 30 minutes after the last bell for each school campus.
• No outside food items will be allowed during breakfast and lunch serving times.
• Fundraising activities should support healthy eating and wellness following the nutrition standards. For the sale of food and/or beverages that do not meet the smart snack rules a revision was made in April 2015. Per memo HNS&4-2015, all exemption requests for fundraisers by Local Education Agencies (LEAs) will be approved by the Arizona Department of Education. ADE will track the number of exemptions granted and only take action to alter this policy if one or more LEAs abuse the policy. While ADE recognizes the importance of nutrition at our schools, we do not wish to have a detrimental effect on those wishing to raise funds for school functions. Per ADE any fundraiser should be a single even of duration not exceeding one week. A school principal or designated representative of the school will submit the request for the fundraiser. However, per USDA the State agency must specify to USDA the number of exemptions they may grant. If the State agency doesn’t respond, USDA will assume the State agency is electing to prohibit any exempt fundraisers.
• MUSD will comply with the federal and state nutrition guidelines that require the use of products that are high in fiber, low in added fats, sugar and sodium, consistent with calorie requirements and served in appropriate portion size. This will be consistent with USDA standards and shall be established for all foods offered by the district’s nutrition services department.
• All grains will be at least 51% whole grain.

• Our district will not use food as a reward. All ‘reasure box’ items must meet guidelines.
• Only Diet soda will be sold to high school students, 20 oz. max. Soda will not be available at any other campus.
• MUSD will only sell low-fat white and skim milk flavored.
• Students and staff will have access to free, safe, and fresh drinking water throughout the school day. All drinking fountains will be maintained and kept in good working order.
• All of our school sites have drinking fountains but some are not accessible to all students during meal time. For those sites that do not have nearby drinking fountains in eating area, due to the eating area also being used for physical education class and safety concerns, a table with drinking water and small cups will be made available to the students during their meal time near the serving line.

Activities to Promote Student Wellness

• MUSD will promote healthy choices and will have consistency of nutrition messages throughout the school.
• MUSD will consider policies that will encourage physical activity such as increasing access to the gym or creating safer routes to bike or walk to school.
• MUSD will uphold current state policy regarding immunization and enforcement. Parents will receive education by the health staff regarding the risk of not immunizing and the health effect to the learning community.
• MUSD will create, strengthen or work within existing school health advisory councils to develop, monitor, and review/revise the Arizona Wellness Policy. The School Health Advisory Council (SHAC), which will consist of all USDA required participants, including teachers of physical education and school health professionals, will serve as resources to school sites for implementing these policies.

Stakeholder Involvement

• MUSD will establish a School Health Advisory Council (SHAC) comprised of parents, students, administrators, a member of the school board, community member, physical education instructor, and nurse/school health professional and representative from the school food authority to review the local policy development process. These individuals can register their concerns and recommendations with the district.
• The SHAC will meet annually during early implementation of policy and assessment of policy. On each school campus, schools shall establish a plan for implementation including principal designation of one or more individuals to ensure compliance with standards of MUSD wellness policy. Additionally, the public will have an opportunity for input at that time. Participants assessing the policy, date of assessment and documentation of any revisions will be noted.
• The Director of Food and Nutrition will prepare an annual report on the district’s compliance with the law and policies related to the wellness policy.
• The activities of the SHAC will be reported to the school administration periodically.

Local Discretion

As long as all the required elements are present MUSD wellness policy shall be tailored to fit the needs of our schools.

Public Notification

MUSD shall inform and update the public (including parents, students, and others in the community) about the content and implementation of the local wellness policy. Public notification will include parent/student handbook, district website, and parent night/open house. MUSD will develop a process for members of the community.

TECHNOLOGY

Cell Phones and Electronic Equipment

It is unlawful for anyone to knowingly photograph, videotape, film, or digitally record or by any other means use a device to secretly view or record another person without that person’s consent. In addition, it is unlawful to disclose, display, distribute, or publish a photograph, videotape, film, or digital recording made without the consent of the person depicted. Refer to ARS Statute 13-3019. Violation of this statute is a class 5 felony.

Cell phones and electronic devices must be turned off and put away as soon as students arrive on campus. Cell phones are not to be used at any time during the school day (unless identified for instructional purposes by the teacher) during assemblies. Any phone/electronic device not being utilized for instructional purposes will be confiscated. Students must bring their ID to retrieve these items from the front office at the end of the school day.

Students bring these devices to school at their own risk. If a student has a cell phone or other electronic device on campus or the bus and it is damaged or stolen, the school will not utilize resources to investigate the incident nor will MUSD take any financial responsibility for the cell phone or cell phone charges or for any other electronic device.

A. 1st Infraction: Phone/electronic device will be confiscated. Student MUST show ID to retrieve device at the end of the school day.
B. **2nd and subsequent infractions:** Phone/electronic device will be confiscated. Student MUST show ID to retrieve the device at the end of the school day and will be subject to disciplinary action as directed by site administration.

**Acceptable Use Policy (AUP)**
The school’s information technology resources, including email and Internet access, are provided for educational purposes. Online communication constitutes web browsing, email, instant messaging, blogging, any use of network resources, etc. MUSD electronic resources include, but are not limited to:

- Hardware, software, data, communication devices, printers, servers, filtered Internet access, and local and wide area networks.

Online communication is critical for learners to apply 21st Century Skills and employ tools such as interactive websites, blogs, video conferencing, podcasts, etc., which offer authentic opportunities for students to express and share information.

To keep students safe and comply with the Children’s Internet Protection Act (CIPA), the Acceptable Use Policy (AUP) is put in place and updated to accommodate the many educational and global changes to date. This Acceptable Use Policy is written for all those who use school-provided network connections. These connections may be used for classroom blogs, student emails, podcast projects, interactive websites, social media, and any other occasion students, teachers, or community members use school network resources. Adherence to the following policy is necessary for continued access to the school’s technological resources. The Electronic Information Services User Agreement (EISUA) can be found in Appendix A on pages 38-40.

**Consequences for Violation**
Violations of these rules may result in disciplinary action, including the loss of a student’s privileges to use the school’s information technology resources.

**Supervision and Monitoring**
School and network administrators and their authorized employees monitor the use of information technology resources to help ensure that uses are secure and in conformity with this policy. Administrators reserve the right to examine, use, and disclose any data found on the school’s information networks in order to further the health, safety, discipline, or security of any student or other person, or to protect property. They may also use this information in disciplinary actions, and will furnish evidence of crime to law enforcement.

**Bring Your Own Device Policy**
The Maricopa Unified School District’s Bring Your Own Device Policy allows students to connect personal devices to the district’s WIRELESS network provided approval is granted from the principal or authorized designee and the student’s parent or legal guardian. Students who wish to request that a personal device connect to the network must use this form. This policy does not extend to district owned devices.

For purposes of this policy, “device” means personally owned electronic equipment with wireless Internet capability that can be used for educational purposes. This includes but not limited to laptops, netbooks, tablets, eReaders, smartphones iPods, iPads, etc.

**Go Guardian**
The use of Go Guardian monitors all school issued technology accounts. This program is in use for all students enrolled in the Maricopa Unified School District.

**MUSD 1:1 Device Policy**
MUSD supports student success by providing collaborative solutions to prepare all students for future opportunities. Every secondary student has access to their own assigned laptop. The initial enrollment cost of $50.00 includes a district issued Lenovo laptop, case and charger with insurance coverage on the device for the current school year. Each additional year, the fee decreases to $25 annually. This fee also allows for the student to purchase their laptop from MUSD in May of their graduation year for $25. Students are responsible for device replacement costs if it is intentionally damaged. If the device is stolen a police report must be filed. Costs for replacements are as follows:

**TRANSPORTATION**

**Bus Rules and Expectations**
Students riding district buses are expected to follow the guidelines for bus riders. **Bus drivers are authorized to assign seats at all grade levels.** Drivers will try to accommodate parent seating requests, but they cannot guarantee parent/student preference.

All students who ride the bus MUST ride the same A.M. bus every morning and the same P.M. bus every afternoon. We do not allow temporary changes to your students seat. Permanent changes should be reported to transportation as soon as possible, in order to make sure we provide the safest transportation for all students.

Any student who does not behave appropriately on the bus or does not cooperate with the bus driver can lose bus riding privileges for a period of time or the remainder of the school year. Refusal to obey any bus driver when he/she is enforcing the bus rules is a serious offense. We ask parents to emphasize the absolute necessity of following the bus rules. Remember our drivers are entrusted with the lives of our young people and they must have support from all of us.

All questions pertaining to transportation should be directed to the Transportation Director at (520) 568-5100 ext. 1150.

**Rules for Student Transportation**
Arizona statutes do not mandate pupil transportation in this state. School bus transportation is provided as a courtesy and is a privilege, not a right. If a student’s conduct is such that the health, safety, comfort, or the well-being of others is jeopardized, on or off the bus, a district official may deny the privilege of riding the bus. The school bus driver is in charge of the bus and all its passengers and has total transportation authority and responsibility. Only designated district officials are authorized to suspend privileges.

**Student Conduct on the School Bus**
**Be Safe**
- Listen to and follow staff directions
- Stay seated facing forward while being transported on the bus
- Keep head, hands, feet, and objects inside the bus and to yourself

**Be Respectful**
- Keep the bus clean and damage/graffiti-free
- Use quiet, inside voices
- Use school appropriate language

**Be Responsible**
- Follow all district/school policies
- Keep food, drink, and belongings in your backpack (water OK)
- Use electronics appropriately

**School Site Walking Boundary Regulations**
The Maricopa School Board authorizes the regular school bus transportation to and from school for the following categories:
- Students with disabilities who require transportation, as indicated in their respective individual education programs
- Students living within one and one half (1.5) miles radius (grades 9-12) of the school where hazardous or difficult routes exist and where other arrangements cannot be provided
- Students who are residents within a school attendance area and live more THAN one and one half (1.5) mile radius (grades 9-12) of the school.

Maricopa UNIFIED: A community dedicated to student success.
• Transportation for pupils who do not reside within an established school attendance area, limited to no more than twenty (20) miles each way to and from the school of attendance or to and from a pickup point on a regular transportation route or for the total miles traveled each day to an adjacent school for eligible nonresident pupils who meet the economic eligibility requirements established under the National School Lunch and Child Nutrition Acts (42 United States Code sections 1751 through 1765) for free or reduced-price lunches.

• Transportation for homeless students to their school of enrollment, if it is the school of origin, will be arranged as needed by the school liaison for homeless students. Ineligible students MAY NOT travel to or play in any competitions or events (home or away). After improving their respective grades such that they have a 2.0 and are passing ALL classes on the subsequent grade check, they shall be reinstated to the team until a subsequent check is performed. If the student-athlete’s grades drop below 2.0 or one (1) class is a failing grade, they will again be ineligible for a minimum of one (1) week.

**Bus Misconduct Referral Policy and Procedures (Policy EEEAC)**

Drivers are responsible for maintaining order on the buses. Administering sanctions for misconduct on the school bus is the responsibility of the transportation department. It is the responsibility of the transportation department to communicate information to administration who will advise the parents when a student has been suspended. In the event of misbehavior on the part of the student riding the bus, the bus driver may issue the student a “Bus Referral” for minor and/or major infractions. The driver will complete a School Bus Misconduct Referral Form.

- Depending on the nature and severity of the incident, the first bus referral may result in a written warning, or other disciplinary action, up to and including temporary or permanent suspension of bus privileges by the Transportation Director.
- The first bus referral on an activity bus will result in the suspension of activity bus riding privileges for the remainder of the semester or school year depending on the time of the year.
- Parent/guardian contact will be initiated by the administrator regarding referrals and possible consequences. Severe infractions or second referrals will have a copy sent home as well. All referrals will be filed in the transportation office as well as the school site.
- Habitual misconduct will result in permanent suspension from the privilege of bus transportation. This procedure will not preclude the right and responsibility of school officials to take other immediate action, as may be necessary in their judgment, for the preservation of good order and specifically for the safety and well-being of others who ride the bus. Suspension from bus transportation does not excuse the student from school attendance.

**CODE OF CONDUCT**

**GENERAL BEHAVIORAL EXPECTATIONS**

Students are expected to conduct themselves in a manner that is consistent with the vision, goals, and beliefs of the Maricopa Unified School District. Accordingly, students are prohibited from engaging in behavior (1) that obstructs, disrupts, or interferes with any educational, administrative, disciplinary, or other activity sponsored or approved by the District, (2) that endangers or threatens the safety of any person, or (3) that inflicts or threatens to inflict damage on property of the District, District employees, students, or others. In addition, students who have committed or are believed to have committed a crime may be subject to school discipline, A.R.S. 15-843(B) (4). Students who fail to abide by this general behavioral expectation will be subject to appropriate discipline, regardless of whether the conduct violates any specific provision of prohibited behavior, and may be cause for revocation of open enrollment admission status.

Violations noted with * are reported to the Arizona Department of Education. Violations noted with ** are additionally reported to local law enforcement.

A major code of conduct violation is considered to be any behavior infraction that has to be reported to the Arizona Department of Education. This includes but is not limited to: alcohol, drugs, fighting/assault, threats, and weapons. The school principal or their designee reserves the right to recommend students for long-term suspension based on these major infractions.

The Code of Conduct is based upon progressive student discipline as described in Governing Board regulation JK-RA: “Depending upon the nature of the violation, student discipline may be progressive, i.e., generally, a student’s first violation should merit a lighter penalty than subsequent violations.”

Students involved in more than one infraction related to drugs, alcohol, violence or specifically defined weapons or any other infractions that risks the health and safety of others, will be recommended for long-term suspension or expulsion and an impartial due process hearing.

| Harassment, Sexual* | U.S. Department of Education, Office of Civil Rights, Revised Sexual Harassment Guidance: Harassment of Students by School Employees, Other Students, or Third Parties, Title IX, January 2001:

Sexual harassment is unwelcome conduct of a sexual nature that denies or limits a student’s ability to participate in or to receive benefits, services, or opportunities in the school’s program. It can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Because sexual harassment of students is a form of sex discrimination prohibited by Title IX of the Education Amendments of 1972, it is governed by this statute and corresponding guidance. Title IX applies to any public or private school receiving federal funding.

Does not include legitimate nonsexual touching or other nonsexual conduct, for example, a high school athletic coach hugging a student who made a goal or a kindergarten teacher's consoling hug for a child with a skinned knee.

Relevant factors in determining whether behavior rises to the level of sexual harassment include:
- The degree to which the conduct affected one or more students’ education
- The type, frequency and duration of the conduct
- The identity of and relationship between the alleged harasser and the subject or subjects of the harassment
- The number of individuals involved
- The age and sex of the alleged harasser and the subject or subjects of the harassment
- The size of the school, location of the incidents, and the context in which they occurred
- Other incidents at the school |

The Code of Conduct is based upon progressive student discipline as described in Governing Board regulation JK-RA: "Depending upon the nature of the violation, student discipline may be progressive, i.e., generally, a student’s first violation should merit a lighter penalty than subsequent violations."
The following chart shows the minimum and maximum range of disciplinary action that will be enforced for each area. These statements are guidelines only and do not limit the judgment of the administrator who must assess the situation and the student’s behavioral history. School rules apply when a student is attending school, on school grounds, at school sponsored events, traveling to or from school, before or after school at bus stops, on any district property, or when the student is engaged in misconduct that affects the climate of the school.

**Notes:** The use of commas in the Minimum and Maximum columns below indicate “and/or” and are dependent on the infraction and use of progressive discipline. Violations noted with * are reported to the Arizona Department of Education. Violations noted with ** are additionally reported to local law enforcement.

MUSD’S BRING YOUR OWN DEVICE (BYOD) POLICY
The Maricopa Unified School District’s Bring Your Own Device Policy allows students to connect personal devices to the district’s wireless network provided approval is granted from the principal or authorized designee, and the student’s parent or legal guardian. Parents who wish to allow their child to use a personal device must have signed off on the Parent Acknowledgements and Permissions form. This policy does not extend to district owned devices.

For purposes of this policy, “device” means personally owned electronic equipment with wireless internet capability that can be used for educational purposes. This includes, but is not limited to, laptops, netbooks, tablets, eReaders, smartphones, iPods, iPads, etc.

Terms of Agreement
Access to the network is a privilege, not a right
Use of my device while connected to the network is governed by the District’s Electronic Information Services User Agreement (EISUA) policies as set forth in the Maricopa Unified School District Policy Manual, and all other district policies and regulations pertaining to the use of technology resources. I must receive signed authorization on the Parent Acknowledgements and Permissions form from my parent or legal guardian and the principal or authorized designee and before using my device on the network. I must utilize MUSD network to connect to the internet on my device while on school grounds. This requires that I log in with my district-supplied student user ID and password. I am not to use a personal network, broadband, or other external connection to the internet. I am not permitted to have any external network services or utilities running on my device while it is connected to MUSD network. No personal network routers, access points, switches, hubs, network printers, or any other device besides that listed in this agreement, may be connected to the network at any time.

Current antivirus software must be installed on my device and I must continue to have up to date virus definitions installed and configured
I will not store any confidential District data on my device
I am responsible for adhering to copyright, licensing laws, and guidelines for all software on my device
I understand this approval is granted for the current school year and must be reapplied for each school year

Districts Rights
MUSD uses filtering technology and protection measures to restrict access to inappropriate material on the network; however, it is not possible to absolutely prevent such access. Inappropriate use may result in cancellation of permission to use the network and will be followed by prompt disciplinary and/or legal action
An agent may be installed on my device as part of my use of the network. This agent will be used to ensure the security and management of the network. Administrators, faculty and other authorized district personnel may review files and messages to maintain system integrity and ensure that users are acting responsibly.
The District’s Technology Director and/or the campus department supervisor or authorized designee may revoke my privilege to use the network when I am found violating any part of this policy

Liability
I assume all liability when installing or uninstalling any software and do so at my own risk
I assume all liability for improperly configuring my device I will not hold MUSD liable, under any circumstances, for theft, damage, loss of my device, or loss of data stored on my device

MUSD assumes no obligation for the support, either onsite, remotely, by email, or by telephone, of the personal device; neither will it accept any liability for modifications made to the device as a result of establishing a connection. The network continues to be configured in the best interests of the district-owned devices that are using it.
Maricopa Unified School District has adopted the Positive Behavior Intervention Supports or PBIS framework. School-Wide PBIS is a whole school three-tier approach to decreasing disruptive behaviors and increasing student success.

I One of the foremost advances in school-wide discipline is the emphasis on school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments.

I A continuum of positive behavior support for all students with all MUSD schools is implemented in areas including the classroom and non-classroom settings (for example hallways, buses, and restrooms).

I Attention is focused on creating and sustaining primary (school-wide), secondary (classroom), and tertiary (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making targeted behaviors less effective, efficient, and relevant, and desired behavior more functional.

-PBIS.org

The focus of PBIS is to provide a clear system for all expected behaviors at Maricopa Unified School District Schools. While many faculty and students may have assumptions of what is expected behavior, we cannot assume that everyone’s understanding and beliefs are similar. Through PBIS, we will work to create and maintain a productive, safe environment in which ALL school community members have clear expectations and understandings of their role in the educational process.

MUSD schools are implementing PBIS school-wide systems of positive behavior support that focus on taking a team-based approach and teaching appropriate behavior to all students in the school. Our three main overarching Behavior Expectations district wide are:

- Be Safe
- Be Respectful
- Be Responsible

Behavioral expectations are taught using similar teaching formats that are applied in the general curriculum. The rules are presented, the reasons are discussed, positive examples (correct way) are described and rehearsed, and non-examples (incorrect way) are described and modeled. Students are given the opportunity to practice the correct way until they demonstrate fluency. Appropriate behaviors are acknowledged. Once appropriate behaviors have been defined these desired behaviors are reinforced on a regular basis. Each school has their own reinforcement system used to reward positive behaviors.

- Maricopa High School - RAMS Tickets
- Desert Wind Middle School - TIGER TRIO PAWS Tickets
- Maricopa Wells Middle School - PANTHER PAWS Tickets

Students are recognized and celebrated in various ways throughout the year.

A student is allowed 10 absences, excused or unexcused per class per semester. The 11th absence will result in loss of credit unless there are extenuating circumstances, however; documentation is required. Contact the Attendance Office with questions regarding extenuating circumstances.

Attendance
Arizona Law and Workplace Standards require students to be at school and on time each day. The right and privilege of attending public school carries with it certain responsibilities on the part of parents and students. High school attendance is ultimately the responsibility of the student and his/her family. It is important that parents and student recognize the direct relationship between academic success and regular school attendance. Parents and students should keep absences below 10 or they will be jeopardy of losing credit for the semester. Most classroom activities cannot be replicated; class discussion and participation is lost to those who are absent. Administration will require documentation for excessive or habitual absences.

Attendance Definitions
- Absence- Students who fail to report to one or more classes will be marked absent. A student who arrives more than 10 minutes late is considered absent.
- Excused absence- An absence is excused if a parent or guardian notifies the school of the reason for the absence. The determination to excuse an absence will be made in compliance with Arizona Department of Education guidelines.
- Unexcused absence- Any absence not verified by parent or guardian will be considered unexcused.
- School-related absence- If a student misses class due to a pre-approved school-related activity, it will not count as an absence.
- Suspension- Of days suspended, the first 10% (18 days) will be considered excused. If a student is suspended above the 10%, those suspension days will be considered unexcused. If a student has 10 consecutive absences, they will be withdrawn.
- Tardy- A student is tardy when he/she is not in class and seated when the final bell rings and will be marked absent after 10 minutes.

Tardy to Class
Students are expected to be seated in their classrooms ready to begin class work prior to the late bell. At the 5th tardy in each class, students will be referred for disciplinary action. Every subsequent 5th tardy will result in additional consequences.

Reporting an Absence
MUSD District Policy J-1550, when a student is absent it will be necessary for the parent to call the school on or before the day of the absence in order to advise the school as to the reason for the absence. When it is impossible to call on the day of the absence, the school should be notified on the morning the student returns, in time for the student to obtain an admission slip prior to the student’s first class.

All absences not verified by parental or administrative authorization will remain unexcused. If a parent does not have access to a phone, either at home or at work, a note will be accepted for verification purposes.

Excused Absences
- Individual illness or health conditions: documentation from a doctor is required
- Serious illness in the immediate family: documentation required
- Religious holidays
- Legal appointments: documentation required
- Death in the immediate family
- School sanctioned activities
- Medical and dental appointments and the scheduling of family vacation during school vacation and recess period (MUSD employees will solicit cooperation from parents in the matter of school attendance and punctuality, particularly in regard to such appointments): documentation required.

Unexcused Absences
Unexcused absences are considered truancies. If a student misses one or more periods in a school day, the unexcused absence will be considered ditching. While parents may be aware of these circumstances, the absence will remain unexcused for attendance purposes. Administrators are the only persons able to excuse absences.

Academic Consequences or Absences
Parents will be notified of daily absences from school via an automated calling system. Unverified absences will result in loss of credit on assignments in each class missed.

Attendance/Credit Appeal
If students in 9th-11th grade have accumulated more than 10 absences (excused or unexcused) by the end of each semester in any class, he or she must appeal to receive credit. Attendance appeals are available on the MHS website and in the attendance office. The report card will list N/C (No Credit) for the classes where the absences do not meet the seat time requirements. Please follow the directions attached to the Attendance/Credit Appeal form and return the form and required document to the Attendance Office within five (5) working days of the postmarked date.
If students in 12th grade (seniors) have accumulated more than 10 absences (excused or unexcused) each semester, it will jeopardize their status for graduation. First semester appeals must follow the process for 9th - 11th grade students above. Second semester appeals will be considered 1-2 weeks prior to graduation. A denial of credit for either 1st or 2nd semester will result in loss of credit and/or graduation.

Attendance appeals will only be considered with documentation for the following reasons:

- Death in the family
- Hospitalization(s)
- Chronic health conditions (documentation must be on file)
  - Individualized Health Plan in the Health Office
- Homelessness
- Illness
- Legal appointments

Ten Consecutive Absences
After 10 days of consecutive unexcused absences, the student will be withdrawn from Maricopa High School.

Student Check-In
If a student is late to school, a parent/guardian must accompany them into the front office to sign them in, regardless of the period.

Student Checkout for Scheduled Appointments
A parent or guardian is expected to call the attendance office to grant permission for a student to be released from class early. In order for a student to leave campus during the school day, the student must obtain a release pass from the attendance office prior to leaving. To receive this pass, a parent must send a written excuse or call the attendance office before the student’s first class that morning. The student will present the pass to the teacher and report to the attendance office to sign out. All students must leave campus through the front office. Any student leaving campus without a pass is subject to disciplinary action. Students will not be allowed to be checked out during any safety drills.

Preapproved Requests/Special Circumstances
In certain circumstances when it is necessary for a student to be absent for an extended amount of time, notification should be made at least 10 days prior to the absence. Filing a request does not guarantee approval. The following criteria will be considered:

- Grade – must have a passing grade in each class
- Attendance – amount prior to absences/tardies

Change of Address or Telephone Number
It is imperative that parents and guardians notify the respective school in person of any change of address or telephone number, in case of emergency. Changes to information will not be accepted by phone notification. Please request a copy of the student profile from the office to make the appropriate changes.

Dropping/Adding Courses
After the 10th day of the semester, students will not be allowed to drop a course or make changes in their schedule. If a student transfers/drops a class after the 10th day, a "WF" (withdrawn failing) will be posted on their transcript. Exceptions to this will be considered for extreme circumstances. Students enrolling in a class during the first 15 days will be required to make up all work missed. Students who enroll in as class from the 16th to the 30th day of the class (without transfer grades) may be at the teacher's discretion, earn credit in the class by making up the work. Students who enroll in a class after the 31st day will be auditing the class and not earn credit.

(Parents/Guardians Notification)
The school shall make a reasonable effort to promptly telephone and notify parents or guardians of an absent student within two hours after the start of school. In order to do this, it is IMPERATIVE that we have current contact information. Please inform the school office of any changes in phone numbers and/or contacts as soon as possible.

Withdrawal from School
The faculty and administration encourage all students to remain in school. Students who have problems are advised to see their counselor, teacher or principal for guidance. If a student is withdrawing, the following steps must be taken:

- Contact the counselor
- Complete forms obtained from registrar’s office
- Get withdrawal documentation signed by teachers, nurse, bookstore/librarian, counselor and parent/guardian
- Return the form to the school registrar
- Withdrawals are not considered complete until all books are returned, outstanding debts are paid and the student ID is returned to the bookstore
