Immunizations

Students will not be admitted without immunizations being current. Please see Health Services Section for requirements.

Parental Custody

In most cases, natural parents shall be given reasonable access to their children at school and to their children's official records. Exceptions to this will be made in cases in which one natural parent has been awarded sole or partial custody of the child and there are certified court orders restricting the access rights of the other parent. The legal guardian must be responsible for notifying school officials of the conditions of the guardianship by providing the legal paperwork. In the absence of any court order, both parents have equal access to student information and their children.

McKinney-Vento Homeless Assistance Act

If you need assistance due to homelessness, please contact MUSD at 520-568-5100 ext. 1029. Homelessness may occur if your family is living in any of the following situations:

- In a shelter

- In a car, park, abandoned building, or bus/train station

Your school age children may qualify for certain rights and protections under the federal McKinney-Vento Act. Your eligible children have the right to:

- Receive a free, appropriate public education

STUDENT RIGHTS AND RESPONSIBILITIES

All students are entitled to enjoy the basic rights of citizenship that are recognized and protected by laws of this country and state for persons of their age and maturity. Each student is obligated to respect the rights of classmates, teachers, and other school personnel. District schools shall foster a climate of mutual respect for the rights of others. Such an environment will enhance both the educational purpose for which MUSD exists and the educational program designed to achieve that purpose. [JI-R © REGULATION](#)

All district personnel shall recognize and respect the rights of students, just as all students shall exercise their rights responsibly, with due regard for the equal rights of others and in compliance with the rules and regulations established for the orderly conduct of the educational mission of MUSD. Students who violate the rights of others or who violate rules and regulations of MUSD or their school are subject to appropriate disciplinary measures designed to correct their own misconduct and to promote adherence by them and by other students to the responsibilities of citizens in the school community.

The following basic guidelines of rights and responsibilities shall not be construed to be all-inclusive, nor shall it in any way diminish the legal authority of school officials and the Governing Board to deal with disruptive students.

Rights

- Students have the right to a meaningful education that will be of value to them for the rest of their lives.
- Students have the right to a meaningful curriculum and the right to voice their opinions, through representatives of the student government, in the development of such curriculum.
- Students have the right to physical safety, safe buildings, and sanitary facilities.
- Students have the right to consult with teachers, counselors, administrators, and anyone else connected with the school if they so desire, without fear of reprisal.
- Students have the right to free elections of their peers in student government, and all students have the right to seek and hold office in accordance with the provisions of the student government constitution and in keeping with the extracurricular guidelines of MUSD.
- Students have the right to be made aware of administrative and/or faculty committee decisions and to be aware of the policies set forth by the governing board and school.
- Legal guardians or authorized representatives have the right to see the personal files, cumulative folders, or transcripts of their children who are under the age of eighteen years. School authorities may determine the time and manner of presentation of this information.
- Students' academic performance shall be the prime criterion for academic grades; however, noncompliance with school rules and regulations may affect grades (e.g., unexcused absences).
- Students shall not be submitted to unreasonable or excessive punishment.
- Students have the right to be involved in school activities, provided they meet the reasonable qualifications of sponsoring organizations, state organizations, and school regulations.
- Students have the right to express their viewpoints in accordance with District Policy JICEC-Freedom of Expression.

Responsibilities

- Students have the responsibility to respect the rights of all persons involved in the educational process and to exercise the highest degree of self-discipline in observing and adhering to school rules and regulations.
- Students have the responsibility to take maximum advantage of the educational opportunities available and seek to achieve a meaningful education.
- All members of the school community, including students, parents, and school staff members, have the responsibility to promote regular attendance at school.
- Students have the responsibility to protect school property, equipment, books and other materials issued to or used by them in the instructional process. Students will be held financially responsible for any loss or intentional damage caused to school property.
- Students have the responsibility to complete all course assignments to the best of their ability and to complete make-up work after an absence.
- Students have the responsibility to help maintain the cleanliness and safety of the school buildings and property.
- Students have the responsibility to present themselves in class at the prescribed time and with the necessary materials.

STUDENT EXPECTATIONS

Students should remember that they are responsible for their own actions. Arizona law allows the school district to hold students accountable for their behavior on the way to and from school, and during any school sponsored activity. All MUSD students and staff are entitled to due process. This means that students always have the right to tell their side of the problem and have people listen. Students also have the right to be treated fairly and equitably.

Assembly Behavior

Assemblies are important and fun school activities. When attending an assembly, please obey the following rules:

- Walk quietly to and from assemblies
- Remain courteous while being seated and when leaving
- Be respectful of presenter at assemblies
- Maintain audience appropriate behavior such as good listening skills, quiet voices and hands on your lap

- Treat cafeteria workers with respect
- Students are to remove trays, papers, food, etc. from their table area before leaving the cafeteria
- No objects of any kind will be thrown in the cafeteria

Community Service

The school administrator has the authority to assign students to school community service on the school campus after school or during the school day. Parents will be notified in advance of the community service.

Inappropriate Items

Electronic devices or toys of any kind are prohibited. The school cannot guarantee security for these items. Such items will be confiscated and must be picked up by parent or guardian.

Playground Behavior

Playground rules provide safety and security for all students. Teachers will instruct their students on how to use the playground. If you bring your own playground equipment to school, the school will not be responsible for lost or stolen property. **General Rules:**

- Use common sense and show respect for others
- Do not throw inappropriate items such as sand, mud, rocks, weeds, bugs, etc.
- Stay outside until the bell rings
- Do not stand on the monkey bars
- One basketball per basket
- No tag games; do not pull or drag on others
- No flips on bars or hanging upside down

Profane and Vulgar Language

Profane or obscene language and gestures are unacceptable and will not be permitted at school, on the playground, coming to or from school. A student will be suspended from school if they continue this negative behavior after the first warning.

Restrooms

Students should use only the restroom that is designated by their teacher. Important reminders:

- Wash your hands before you leave the restroom
- Loud talk, yelling and horseplay is not allowed in the restroom
- Students must return quickly to class
- Help keep the restroom clean
- Students who write or draw on the restroom walls or other surfaces can be suspended and a parent conference can be required

Smoking, Alcohol and Drugs

The possession and/or use of tobacco, alcohol, drugs, drug paraphernalia or any substance which may be used for the purpose of intoxication, is prohibited. Violation of this rule will result in suspension.

Time-Away Rooms

Your school may be equipped with time-away rooms located at or near the office. The purpose of these rooms is to allow the student a place to sit and reflect upon his/her behavior. These rooms may be used for in-school suspension. Saturday School may be offered. Often this is an alternative to suspension and allows students time to reflect and learn from their behavior. Teachers, principal or designee may assign a Saturday School depending on the gravity of the offense. Parents will be notified and will work together with school personnel to ensure the student attends.

ATTENDANCE

MUSD's goal is to ensure the attendance of students and to promote a school culture of academic achievement. The parent or guardian is charged by law with the responsibility for the student's consistent school attendance. The superintendent/principal designee will enforce the laws regarding attendance, with consideration of the variables that affect children and families. The superintendent/principal designee will place emphasis on the prevention and correction of the causes of absenteeism.

Parents/Guardians and Student Responsibilities

Parents/Guardians and students should be aware of the attendance policy. Students should attend class all day. Parents/Guardians need to call the school prior to 8:00 a.m. to provide the attendance clerk with the following information:

- Parent's Name
- Student's Name
- Teacher's Name
- Reason for Absence (i.e. Flu, Strep Throat, Asthma)
- Contact Phone Number

Parents and students may be asked verify absences in writing within 24 hours. Arrange for doctor and dentist appointments after school as often as possible. Students need a full instructional day. Parent and/or guardian will inform the school of any changes to contact phone numbers.

Excused Absences

The following reasons will be accepted as excuses for being absent:

- Verified legal appointment, such as court
- Religious holiday
- Funeral/death in the family
- Verified illness or hospitalization
- Communicable disease (Flu, Measles, etc.)
- Pre-approved request/special circumstance (i.e. family, vacation).

Student Tardiness

Maricopa Unified School District recognizes the importance of students assuming the responsibility of being on time to class. A student will be considered tardy if he/she is not inside the classroom when the tardy bell rings. If a student abuses the tardy policy, appropriate disciplinary action will be applied.

- 1st Tardy – Warning
- 2nd Tardy – Consequence
- Excessive Tardiness – Office referral consistent with MUSD Code of Conduct

Prior Notification Absences/Special Circumstance

In certain circumstances when it is necessary for a student to be absent for an extended amount of time, notification should be made to the school at least three days prior to the absence. Students must arrange all class work prior to the absence and complete all work by a determined date. Submitting a request does not guarantee an excused absence. The following criteria will be considered by principal:

- Grades – must have a passing grade in each subject
- Attendance – amount of prior absences/tardiness
- Behavior – prior referrals, disciplinary actions, etc.

Parents/Guardians Notification

The school shall make a reasonable effort to promptly telephone and notify parents or guardians of an absent student within two hours after the start of school. In order to do this, it is IMPERATIVE that we have current contact information. Please inform the school office of any changes in phone numbers and/or contacts as soon as possible.

Consequences for Absences

After three or more absences the student will receive an attendance policy warning. The first notice will be in the form of a warning letter notifying the Parents/Guardians of the missed days. The primary purpose is to advise the parent/guardian that the student's grade may be affected due to the absences.

After five or more absences the student may be placed on an attendance contract and a second notice letter will be sent home. A parent conference may be scheduled and Parents/Guardians may be referred to the court system for truancy citation.

Students with excessive absences, (over 10%) will be subject to the laws of Arizona in regards to attendance and will receive a final truancy letter. The School Resource Officer/Truancy Officer per Arizona statute may cite the student or the parent for truancy. Excessive absences affect the student's grades. Administration may require medical documentation for excessive absences. (ARS code 15-802)

After 10 days of consecutive unexcused absences, the state requires schools to automatically withdraw the student.

Truancy Violations

As per ARS 15-802, the parent/guardian of a child between six and sixteen years of age or a person who has custody of a child, who fails to enroll or fails to ensure that the child attends school pursuant to this section is guilty of a Class 3 Misdemeanor.

Arizona's Truancy Laws (ARS 15-802 and 15-803) define two circumstances when a student may be cited for failing to attend school.

- A student is "habitually truant" when he or she has five or more unexcused absences from school. "Truant" means an unexcused absence for at least one class period during the day.
- A student has "excessive absences" when the student misses more than 10 percent (18 days) of the required number of school days per year, whether the absence is excused or unexcused.

If the student experiences a significant number of excused/unexcused absences or trancies, both the Parents/Guardians and the child could be issued a citation for violation of the truancy law. A citation would require that both the Parents/Guardians and the child appear in court regarding this matter.

Student Pick-up/Signing Students in and out of School

For the safety and protection of the student, he/she cannot be taken from school, before regular dismissal time, without a Parents/Guardians physically signing out the child. Photo identification will be required of all persons.

A student will not be excused to leave school on the basis of a note or telephone call. Student must be signed out in the front office by a person at least 18 years of age. A student may be allowed to leave with someone other than the parent only if the parent has notified the school of such an arrangement in writing or if the person is listed on the emergency contact list.

Only parents or legal guardians or others with permission verified by school administration may authorize check-out of a student. Only individuals designated on the authorization list may pick up the student.

If a student leaves during the day, and does not check out with the school, it is considered an unexcused absence and classified as truancy. Students are not permitted to leave school without permission.

DISTRICT/SCHOOL INFORMATION

Care of Campus

A student body is often judged by the appearance of the school property. Care of the grounds, buildings, and equipment is the responsibility of all students and staff. Each classroom will be asked to help keep the campus clean and free of litter. Have RESPECT for your school and be proud to show it to your family and friends.

Communication with Teachers

Although all MUSD elementary school campuses support and encourage open communication between home and teachers, the school requests that Parents/Guardians do not call the classroom during the instructional hours. Parents/Guardians may call the office and leave a message for the teacher or they may email the teacher directly.

Field Trips

Field trips are to supplement the regular classroom curriculum and relate to subjects being taught in the classroom. They are a privilege and students are expected to follow the same guidelines and rules on a field trip as they do at school. Students who go on field trips or engage in other school related/sponsored activities are counted present in school.

Fundraising

Classrooms may sponsor fundraisers for various activities. The principal must approve all fundraisers prior to the activity. The student council must also approve fundraiser activities.

Lost and Found

If a student loses any personal items such as a wallet, purse, jacket, or textbook, he/she should check with the lost and found. Please put names on clothing and personal items brought to school. All unclaimed items will be sent to charitable organizations at the end of each quarter.

Media Release – Local and State Publications

We value and applaud our student successes. Opportunities may arise when a student is to be recognized for their outstanding achievement. Student's first name, last name and photograph may be released to the media only if written parental permission has been submitted. Note: If permission is not granted, your child will not be able to be included in any newspaper articles outlining accomplishments.

Money

Students should never bring large amounts of cash to school. School personnel will attempt to locate any lost money, but the person bringing money to school is responsible for it. The school will not be held liable for missing or stolen money that a student brings to school.

Child Abuse Reporting Requirements for School Personnel

The law covering the mandatory reporting of child abuse has recently changed and the obligations for school employees is greater than ever before. The duty to protect children from child abuse, sexual abuse, and neglect is one that is incumbent on every school district employee. It is important that parents and families understand these obligations and the ramifications on school personnel. The following guidelines are designated to clarify what these new obligations are. A.R.S. 13-3620 provides that anyone who "reasonably believes" that a minor is or has been the victim of physical injury, abuse, and child abuse, reportable offense or neglect that has been inflicted on the minor by other than accidental means or that is not explained by the available medical history as being accidental in nature shall immediately report or cause reports to be made of this information to a peace officer or to Child Protective Services at the Department of Child Safety. This means that if a school employee hears a rumor, overhears a conversation or by any other means, becomes aware that a child may be the subject of physical injury, sexual abuse, or neglect, that employee has an obligation to report. It is not necessary to have visual or actual evidence of abuse to trigger the reporting requirement. Staff is bound by law to not discuss or share any information to any person unless specifically authorized by applicable law or court order.

Pets and Other Animals

For the safety of all students, please do not bring pets on campus, including during arrival and dismissal. Pets may NOT be brought to the classroom without prior permission from the principal. Animals cannot be transported by school buses. If a pet follows a student to school, the office will contact the student's home to arrange for pet pick up. If the parents cannot be contacted, then animal control will be notified.

School Announcements

All MUSD elementary schools will communicate school activities, notes and calendars to parents on a regular basis. Students should recognize the importance of taking all notices home to their family. The weekly or monthly newsletter (varies by site) is available on each school website. If you have provided the school with your email, please check this regularly for electronic communication.

School Pictures

A commercial company takes individual and group photographs in the fall and spring. Packets of color photos will be offered for sale to parents. Students may wear dress clothes for the fall formal pictures if staying within the appropriate dress code guidelines.

Student Dress Code

The school district has the responsibility to promote the basic rules of sanitation, safety, neatness, and modesty while students are on campus. Students should dress in a manner that, in addition to the following guidelines, take into consideration the educational environment, safety, health, and welfare of self and others. Students will not dress in a manner that disrupts the learning process. Each student must keep in mind that he/she is a representative of MUSD and the Maricopa community.

Student Deliveries

Deliveries for students will not be accepted at school (floral arrangements, balloon bouquets, etc.)

Student Records

Parents/Guardians have access to their child's school records. School employees respect the privacy of student records and recognize that only important, factual information should be in permanent records. MUSD Policies on access to student records and other information, and parent and student rights, comply with the Family Educational Rights and Privacy Act of 1974 (FERPA). Please refer to the MUSD Programs & Course Description Book and [Administrative Regulation JR-R](#) found in the District's Governing Board Policy Manual for more information about FERPA. These donations help fund things such as, but not limited to, field trips, sports programs, and art appreciation. If you would like more information, ask the school office staff.

Title I School-Wide and Title I Targeted Assistance Program

Maricopa Unified School district must notify Parents/Guardians of students attending Title I School-Wide and Title I Targeted Assistance Programs.

Parents/Guardians may request information on the professional qualifications of the student's teacher. The information must state if:

- Teacher meets state qualifications and licensure requirements

Treatment of School Employees

According to ARS 15-507, a person who knowingly abuses any school employee on school grounds or while the employee is performing his/her duties is guilty of a Class C misdemeanor.

KI © Visitors to Schools

All visitors must sign in at the school office and wear the visitor's pass at all times. Parents who wish to visit classrooms or shadow their student, must make an appointment with site administration at least 24 hours in advance to ensure accommodations in each classroom. We encourage all parents to become official volunteers through the MUSD Volunteer Program.

In order to ensure limited disruption to instruction and the learning environment, the building administrator reserve the right to limit the length of time as well as the date and time of day when the prearranged visit is to occur. The board and administration will not tolerate any person or persons whose presence disrupts classes, school activities or hinders the instructional process. If such persons will not leave the school premises upon request, the building principal, or his or her designee, may contact the proper legal authorities.

ACADEMICS AND SPECIAL PROGRAMS

Child Find

Child Find is a component of the Individuals with Disabilities Education Act (IDEA 2014) that requires Public Education Agencies (PEA) to locate, identify, and evaluate all children with potential disabilities, ages 3 years through 21, located within their boundaries with suspected disabilities. For more information, contact the district ESS Dept.

Admission to Kindergarten

MUSD believes that a solid kindergarten program creates the foundation of learning as students begin their academic career. For this reason, the following kindergarten options are available for families.

Dual Language: The Dual Language Program introduces Preschool, Kindergarten, First Grade, and Second Grade students to the world of bilingualism, biliteracy, and culture competency. Students receive instruction and explore content in English and Spanish to develop building blocks that will prepare them for progressive immersion in future grade levels.

Full Day Kindergarten Program: The full day program will allow students to fully develop their academic skills. It will be offered to families who have children who turn five years old before September 1st. In addition to the regular kindergarten curriculum, they will be able to participate in enrichment activities and specials.

MAP - Maricopa Accelerated Program:

The Maricopa Accelerated Program offers students opportunities to speed up the teaching and learning process to achieve the desired learning outcomes at an accelerated pace different from the more traditional arrangements and approaches. The condensed curriculum embeds activities and materials that target the next grade level skills within the same school year. Learners are expected to achieve these learning outcomes with appropriate differentiated support both at school and home.

Early Kindergarten: Any student who will turn five (5) years old between September 1st through December 31st is eligible to be assessed for admittance into kindergarten. Assessments are done at the MUSD office in the spring prior to the beginning of the new school year.

Before/After School Care

Boys and Girls Club: The Boys & Girls Clubs of the Sun Corridor operates an after-school program at Santa Cruz Elementary School. The Club mission is “to inspire and enable all young people, especially those who need an environment for students in Kindergarten – 5th grade”. This program is open Monday-Friday from 3:30pm – 7:00pm. The monthly fee is \$65.00. There is also a one-time annual membership fee of \$10.

Requirements for Promotion of Students from Third Grade

AZ Statute 15-701 states that students who obtain a score on the reading portion of the AZ Merit State Assessment, or a successor test that demonstrates the student is reading far below the third (3rd) grade level will not be promoted from the third (3rd) grade.

English Learner (EL) Program

Our EL Program provides services to students that need assistance in learning English. Arizona law requires that children with a home language other than English be assessed for proficiency in reading, writing, listening and speaking. Following Parent/Guardian notification, students who are identified as limited English proficient may receive various forms of instructional support focused on English acquisition.

Exceptional Students Program

Students being considered for special education placement are screened, evaluated and placed by a team. Special education programming at the school is implemented by a resource teacher, who works directly in the resource room with exceptional students and in consultation with regular classroom teachers to help them better meet student needs. We also have schools with classrooms that specialize in instruction for students with greater special education needs. Parents of special education students share in making the decisions concerning their children’s evaluation, placement, and program development. Parent information meetings are held as needed.

Gifted Program

The goal of the MUSD Gifted Program is to provide identified exceptionally talented students with individually appropriate instructional programs. Students in grades 3-5 will have the opportunity to participate in a gifted pull out program. Students that are identified as gifted will receive services with a highly qualified gifted teacher. MUSD’s Gifted Program aims to offer a broad base of experiences to our gifted students. By providing a qualitatively different curriculum, this program facilitates the growth of students as independent, life-long learners, with the developmental skills, concepts, and positive attitudes with their cognitive, emotional, and social domains considered. A major goal of the curriculum is the teaching and practice of critical thinking skills. For more information, contact: Maricopa Unified School District Office 520.568.5100.

Grading

A District-developed grading system will be utilized. Teachers will keep a careful record of the grades assigned to students. Written reports to the parents concerning student achievement will be made every nine (9) weeks by the teacher, and additional written reports will be made when necessary. Teachers will confer with parents when necessary concerning academic progress and discipline of students. Teachers will report to parents on students’ conduct, scholarship, attendance, or excessive tardiness.

Grades reporting achievement of special education students not taking regular education classes shall be given on a basis commensurate with the students’ abilities and based on their individual progress rather than in competition with classmates. The permanent record cards for such students shall indicate enrollment in special education for those classes. Parents of special education students shall be counseled regarding the significance of the grading system in order to avoid misinterpretation of the achievement grade.

Homework and Study Habits

The purpose of homework is to provide additional practice on previously introduced skills or to enrich classroom experience. Homework includes such activities as brief drills, reading, collecting information, sharing ideas with Parents/Guardians and providing projects/assignments in which students utilize their time in creative thought.

Homework will be assigned consistent with the developmental level, special needs, and achievement level of the individual student. Homework will address the objectives of the instructional program. To supplement work in class, teachers often give additional assignments to help in understanding of the subject. Parents and students need to work together to find a suitable time and place to do homework.

Honor Roll

MUSD Elementary Schools have established an honor roll system to recognize outstanding academic achievement every grading quarter. Grades for reading, writing, math, science and social studies will be considered for the honor roll. Honor roll students will be recognized and celebrations vary by site.

Make Up Work

Students will be allowed the same number of days to make up daily assignments as the number of days missed. If work is not turned in within the designated time period; and no contact is made explaining the circumstances that necessitate an extension, a failing grade will be given. If possible, parents should request make-up work at least 24 hours before they intend to pick it up. Students are responsible for class work missed during an absence.

Progress Reports

The purpose of a student progress report is to communicate to Parents/Guardians their child's current achievement status in each curriculum area. Student progress reports will be sent home at midterm of each grading period and when significant changes are observed by a teacher. Report cards are sent home with the student at the end of every grading period as listed on the school calendar.

Promotion and Retention

Annual promotion for students in grades K-5 is based on evidence of individual student progress in achieving mastery of learning objectives. The teacher shall make the decision based upon academic performance for promotion or retention of students. Parents will be notified and a conference will be set up to discuss possible retention.

Retention will be considered if the student is partially proficient or minimally proficient in at least two subjects, one or more of which should include reading, math, and language arts (grades K-5) and/or excessive absences in accordance to truancy laws. Retention will be considered for a student having more than 12 absences per semester when it is contributing to poor academic performance. At the end of the second and subsequent grading periods, parents will be notified if a child is at risk for retention. As prescribed in ARS 15-701 and ARS 15-715, the teacher has the legal authority to promote or retain a child. That decision can only be overruled by the School District Governing Board. If the teacher recommends your child for retention and you disagree with the final decision of the teacher, you may file an appeal to the Governing Board for reconsideration.

Library

Students are encouraged to use the library in their school and draw from its wealth of materials as much as possible. Some general guidelines for behavior in the library are as follows:

- Students need to use quiet voices and be respectful of others when using the library
- Students should return materials to the library as soon as they are finished reading them to allow others to check them out
- Students who do not return books on time will not be allowed to check out additional books
- Students will be expected to pay for any library books or materials they damage or lose

School Materials and Supplies

All textbooks/technology will be furnished at no cost to the students. Students are responsible for textbooks issued to them for their use during the school year. If loss or damage (above normal wear) of the books occurs, parents and students will be expected to pay for such. If Parents/Guardians wish to donate classroom supplies such as pencils, paper, or notebooks, it would be greatly appreciated.

Parent Teacher Conferences

Parent Teacher Conferences can be scheduled and requested during any point in the school year. Parents may email or call and schedule an appointment with the teacher. In addition, district dates are scheduled for student led conferences each year.

Recitation of Declaration of Independence

Arizona Revised Statute 15-203. A.26 states that the Arizona State Board of Education shall, "Require pupils to recite the following passage from the Declaration of Independence for pupils in grades four through six at the commencement of the first class of the day in the schools, except that a pupil shall not be required to participate if the pupil or the pupil's parent or guardian objects.

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their creator with certain unalienable rights that among these are life, liberty and the pursuit of happiness, "That to secure these rights, governments are instituted among men deriving their just powers from the consent of the governed."

If you do not want your child to participate in this, please notify the school office in writing.

FOOD SERVICES

The goal of the Maricopa Unified School District Child Nutrition Department is to provide students with nutritious meals each day. All MUSD Elementary Schools have closed campuses, which means that students cannot leave campus without permission. Students may purchase a lunch from the school cafeteria or bring a lunch from home. MUSD participates in the National School Lunch/Breakfast Program that offers free and reduced prices to students who qualify. Information and applications are available at MUSD office, the school offices and online at MUSD Child Nutrition. These applications must be renewed each school year.

Food is only permitted in the cafeteria, outdoor dining area(s) and other designated eating areas during lunch. All students are expected to model good citizenship and dispose of lunch trays and other trash in the receptacles provided; failure to comply will result in disciplinary action.

- NO outside food is allowed during breakfast and/or lunch serving times. Students may bring their own lunch or utilize the cafeteria only
- Students are not permitted to leave campus during lunch at any school within the district. If a student needs to leave during lunch, a parent must pick them up and sign them out in the front office.
- Students who are found to repeatedly litter will face disciplinary action

Lunch accounts can be established in the cafeteria (cash or check) and accessed by the student using their student ID number. Deposits to accounts may be made in the cafeteria or by going to www.linqconnect.com.

Federal applications for free and reduced lunches are available at www.linqconnect.com. Forms must be filled out every year. Students who were in the program the previous school year will be carried for 30 days in the new school year. For questions or further information, please contact Child Nutrition Department at childnutrition@mUSD20.org or 520.568.5100.

Breakfast and Lunch

Breakfast is served every school day free of charge to all students.

Student lunch prices are:

- Full price: \$3.75
- Reduced (must qualify): \$0.40
- Free (must qualify)

Parents are always welcome to come and enjoy a meal with their child and purchase a separate breakfast and/or lunch. Parents are not allowed to take food from student trays. Call the food service department of your child's school should you have any questions or concerns.

Paying for Lunches

Students are expected to pay for lunches provided by the school and will be allowed up to three charges. The cafeteria will send up to two written reminders to Parents/Guardians and will then call home if there is no response to the letters. After the third charge, the child will receive a sandwich, serving of fruit and a drink until the account balance is cleared. There are several ways for Parents/Guardians to pay for meals and weekly/monthly payment is encouraged. Parents will be able to prepay for meals at the school or online. Student transactions will also be available to parents online.

- You may send money with your child in the form of cash, check (\$25.00 returned check fee) or money order to be paid directly to the school cafeteria
- You may go to the school, get a visitor's pass, and go to the cafeteria yourself to pay on your child's account.
- You may pay online with www.linqconnect.com (information is available at school offices and from the cafeteria)

If you need to check the balance of your child's account you may:

- Contact the school cafeteria at any time during cafeteria business hours (usually from about 7:00am to 1:00pm)
- Use www.linqconnect.com free of charge – This allows 24-hour access to check the balance of your child's account and/or to review daily meal transactions. You may also set up a free email reminder for low balances online and the website will work with any cell phone web browser as well.

High Schools and Middle Schools offer a snack cart to students during lunch periods.

We must follow the Federal Health Snack guidelines/Wellness Policy for all MUSD schools.

Wellness Policy

The Maricopa Unified School District promotes wellness by supporting good nutrition and regular physical activity as part of the total learning environment. Wellness is defined as the dynamic state of achieving optimal well-being in all the dimensions of health: Physical, mental/emotional and social.

Nutrition Education

- Nutrition education shall be integrated within the comprehensive health education curriculum and taught at every grade level.
- The entire school environment, not just the classroom, shall support the nutrition education program and be linked to the school meal program – reaching classroom, cafeteria and community.
- All students shall have the skills necessary to make nutritious choices.
- Students will receive nutrition education that fosters the adoption and maintenance of healthy eating behaviors.
- Each school in MUSD will encourage staff to model healthy eating and physical activity as a valuable part of life. Our schools will strive toward integrating a coordinated school health approach.
- Parents will be provided the opportunity to give feedback on wellness goals through our website, email, parent conferences and family engagement events.

Nutrition Promotion

- All school meals promote fresh fruits, vegetables, whole grains, and low-fat items, including low-fat and fat-free milk.
- School meals shall be made attractive to students. To the extent possible, school and transportation schedules shall be designed to encourage participation in the school meal programs.
- After obtaining food, students will be provided adequate time (minimum of 20 minutes) to eat lunch.
- All food service personnel will have adequate training in food service operations including professional development in the area of food and nutrition. Food service personnel will also be in compliance with the New Professional Standards requirement from USDA which is effective July 1, 2015. The standards, another key provision of the Health, Hunger-Free Kids Act of 2010 (HHFKA), aim to institute minimum education standards for local school nutrition directors as well as annual training standards for all school nutrition professionals. These standards will ensure school nutrition personnel have the knowledge, training, and tools they need to plan, prepare, and purchase health products to create nutritious, safe and enjoyable school meals. This final rule will create minimum hiring standards for new school food authority (SFA) directors based on a school district's size and require minimum annual training for all new and current school nutrition professionals.
- Students shall be provided a pleasant environment in which to eat lunch.
- MUSD will share and publicize information about the nutritional content of meals with students and parents.
- Our district will provide peanut free zones and complies with special dietary needs for students as defined in the ADE special dietary needs manual.

Nutritional Guidelines for all Foods on Campus

- MUSD is a peanut restricted/peanut aware district. Food service staff is not responsible for unknown allergens.
- MUSD will regulate all food items sold including foods and beverages sold through vending machines, school stores and concessions, and will be consistent with federal and state nutrition guidelines, following the Smart Snack Rule that was effective July 1, 2014. This includes all PTO food and beverage sales during school hours.
- Food and Drug Administration Requirements for Vending Machines CACF-09-2016 published December 1, 2014; final rule NSLP institutions must comply by December 1, 2016. Items in vending machines will be required to have calorie labels so consumers have clear and regular nutrition information, allowing them to make informed and healthy choices when purchasing.

- Our district will regulate the nutritional quality of ALL a la carte items sold; regulating calorie, sugar, or saturated fat content of ALL items sold.
- Our school district will provide a specific and restricted list of food items allowed to be served/distributed. Consumption of food and beverages during the normal school day will follow USDA nutrition standards. Any class party will be held after lunch if possible.

Federal regulation states: class parties held in individual classroom by a single class may be exempt from the nutritional regulations. Common areas are not exempt. Multiple classrooms participating in a combined party or event are subject to nutrition standards. Field days, group recognitions, etc., are not considered classroom parties and are not exempt. Class parties held in an individual classroom by a single class may be exempt by teacher's discretion to celebrate birthdays, class achievement, holiday, etc. Parent(s) may provide food items not meeting nutritional standards (food items must come from a commercial kitchen – cannot be homemade) or parent/teacher may use option of MUSD food services providing healthier food items.

- The normal school day includes before, during and after school, but does not include special events, such as athletic contests or performances held outside the normal school day. The normal school day is considered midnight to 30 minutes after the last bell.
- No outside food items will be allowed during breakfast and lunch serving times.
- Fundraising activities should support healthy eating and wellness following the nutrition standards. For the sale of food and/or beverages that do not meet the smart snack rule standards a revision was made in April 2015. Per memo HNS#4-2015 – all exemption requests for fundraisers by Local Education Agencies (LEAs) will be approved by the Arizona Department of Education. ADE will track the number of exemptions granted and only take action to alter this policy if one or more LEAs abuse the policy. While ADE recognizes the importance of nutrition at our schools, we do not wish to have a deterrent effect on those wishing to raise funds for school functions. Per ADE any fundraiser should be a single event of duration not exceeding one week. A school principal or designated representative of the school will submit the request for the fundraiser. However, per USDA the State agency must specify to USDA the number of exemptions they may grant. If the State agency doesn't respond – USDA will assume the State agency is electing to prohibit any exempt fundraisers.
- Our district food service program will comply with the federal and state nutrition guidelines that require the use of products that are high in fiber, low in added fats, sugar and sodium, consistent with calorie requirements and served in appropriate portion size. This will be consistent with USDA standards and shall be established for all foods offered by MUSD's nutrition services department.
- In our district food service program, all grains will be at least 51% whole grain.
- Our district will not use food as a reward. All "treasure box" items must meet guidelines.
- Our district will prohibit soda and allow only water and beverages that are at least 50% juice K-8.
- Our district will sell only diet soda to high school students, 20 oz. max. Soda will not be available at any other campus.
- Our district will only sell low fat white and skim milk flavored.
- Students and staff will have access to free, safe and fresh drinking water throughout the school day. All drinking fountains will be maintained and kept in good working order.
- All our school sites have drinking fountains but some are not accessible to all students during meal time. For those sites that do not have nearby drinking fountains in eating area – due to the eating area also being used for physical education class and safety concerns – a table with drinking water and small cups will be made available to the students during their meal time near the serving line.

Physical Activity

Physical education classes will be provided to students in all grade levels.

- It is recommended that physical education classes be provided at a minimum of two times per a six-day rotation for grades K-5 and meet MUSD requirement for grades 6-12.
- Elementary students should accumulate a minimum of 120 minutes of age appropriate physical activity over the course of each full week, per national standards. Secondary schools should promote physical activities, both formal and informal, on a daily basis.
- Physical education classes will have the same student/teacher ratios used in other classes.
- The physical education program shall provide adequate space and equipment and conform to all applicable safety standards.
- MUSD will not tolerate the use of physical activity as punishment, the withholding of participation in physical activity/education as punishment, or the use of physical education class time to complete assignments from other classes.
- Athletics, recess and/or other classes may not take the place of physical education. Physical education classes will be taught by a certified physical education instructor.
- All students in grades K-5 shall receive daily supervised recess.
- MUSD promotes the use of school facilities outside of school hours for physical activity programs offered by community-based organizations.

Activities to Promote Student Wellness

Our district will promote healthy choices through prominently displaying healthy foods in the cafeteria, use of posters and or food tastings and comparable pricing for healthy food options.

- District will have consistency of nutrition messages through the school – classroom, cafeteria, school hallways, etc.
- District will consider policies that will encourage physical activity such as increasing access to the gym or creating safer routes to bike or walk to school.
- MUSD will uphold current State policy regarding immunization and enforcement. Parents will receive education by the health staff regarding the risk of not immunizing and the health effect to the learning community.
- The school district will create, strengthen or work within existing school health advisory councils to develop, monitor, review and revise the Local Wellness Policy.

Stakeholder Involvement

The school district will establish a School Health Advisory Council (SHAC) comprised of parents, students, administrators, a member of the school board, community member, physical education instructor, nurse/school health professional and representative from the school food authority to review the local wellness policy; to develop, implement, monitor and improve nutrition and physical activity in the school environment. The activities of the SHAC will be reported to school administration periodically.

Local Discretion

As long as all the required elements are present MUSD wellness policy shall be tailored to fit the needs of our students.

Public Notification

MUSD shall inform and update the public (including parents, students, and others in the community) about the content and implementation of the local wellness policy. Public notification will include parent/student handbook, district website, and parent night/open house. MUSD will develop a process for members of the community who are not able to be a part of the committee, who wish to have input in the wellness policy development process. These individuals can register their concerns and recommendations with MUSD.

Measuring Implementation/Evaluation

The SHAC will meet annually during early implementation of policy and assessment of policy. On each school campus, schools shall establish a plan for implementation including principal designation of one or more individuals to ensure compliance with standards of MUSD wellness policy. Additionally, the public will have an opportunity for input at that time. Participants assessing the policy, date of assessment and documentation of any revisions will be noted. The Director of Food and Nutrition will prepare an annual report on MUSD's compliance with the law and policies related to the wellness policy.

HEALTH SERVICES

The Health Office is open during school hours and can be contacted by calling the school. During class time, a student must have a pass signed by a teacher to see someone in the Health Office (except in an emergency). Please remember that the Health Office is not a substitute for medical care and cannot diagnose or prescribe for your child. Sick children should stay home or be taken to the doctor. The school does not provide transportation for routine medical care.

The Health Office Staff is prohibited by law from administering medication of any kind, including Tylenol, without a written order form a Primary Care Provider who is allowed by law to prescribe medications. Parents/Guardians must also give permission to administer medication. All medication, prescription and over-the-counter, is kept in the health office in the original container and packaging. Self-Carry Medication Forms, along with Medication Order and Medication Administration Forms are available in the Health Office. In order to self-carry a medication related to diabetes, asthma, and/or severe allergic reaction the student must also understand the medication, why it is being used and how to properly administer the medication. Self-administration of these medications may be limited to 4th and 5th grade students.

Illness

Do not send a child to school if they are ill or injured, the best place for a child who is ill is at home in the care of an adult. If a student becomes ill at school, Parents/Guardians will be notified. Upon becoming ill at school, the student must obtain a pass from the teacher and go to the Health Office. If necessary, the Health Office Staff will contact the parent to take the student home. **It is essential that Parents/Guardians have a plan for picking up their ill child in a timely manner.** In any emergency, the school Health Office Staff or an administrator will notify the parents/Guardians. If deemed necessary, paramedics may be called.

- When students are injured and/or sick, it is **IMPERATIVE** that we contact Parents/Guardians quickly. Please inform the school office of any changes in phone numbers and/or contacts as soon as possible. **IMPORTANT: We must have the names and numbers of persons to contact in case of an emergency if we are not able to reach a parent.**
- Any student with, or recovering from a communicable disease will not be permitted in school until the period of contagion is passed or until a doctor recommends a return.
- Children with any illness should stay home for at least 24 hours after a fever of 100.4 or greater has been normal without the aid of any medication. A child with vomiting, nausea, or diarrhea must be symptom free without the use of any medications for a 24-hour period.

Immunizations

Students will not be admitted without immunizations being current. Parents are asked to provide documentation of any immunizations received during the year to the school Health Office Staff in order that school immunization records can be kept up-to-date.

Children can be exempted from immunizations in the following circumstances:

- A Primary Care Provider (PCP) certifies that one or more of the immunizations would endanger the child's life
- If Parents/Guardians complete the Arizona State Health Department online immunization education and submit the completed certificate to the school Health Office. Although the law allows exemptions, the County Health Department may tell the school to exclude a child from school if there is an outbreak of any of the diseases listed above.

Medication Procedures

Students are not allowed to possess prescription drugs or over-the-counter medication, including cough drops while on school grounds during school hours and activities. All medication is to be taken directly to the school Health Office by Parents/Guardians.

Per Governing Board Policy J-5350 JLCD, students are **not allowed** to carry prescription or over-the-counter medication on their person without consent from their healthcare provider. If a student requires medication during the school day, the following policy is in place:

- The medication must be prescribed by the student's licensed health care provider.
- A parent/legal guardian must bring the medication to the health office. Students are not allowed to bring medication to the health office.
- Prescription medication must be in the original pharmacy container, labeled with the student's name, date prescribed, name of medication, dosage, route, time the medication is given during the school day, and the name of the prescribing physician on the label.

Administration by School Personnel

Besides the above Governing Board Policy, the following are also protocols for medication administration:

- The information on the prescription bottle must be the same as the PCP order.
- Medication will usually be administered by Health Office Staff in the Health Office.
- An administrator may designate a properly trained school employee to administer the medication.
- Each administration of prescription drugs must be documented.
- Drugs must be kept in their original container in a locked cabinet.

Self-Administration of Prescription Drugs

When the PCP feels it is necessary for the student to carry and self-administer the medication, the PCP shall provide a written recommendation to be attached to the signed parent permission form.

- The Parents/Guardians must provide written permission for the student to self-administer and carry the medication. Appropriate forms are available from the health office.
- The medication must come in the prescription container provided by the pharmacist.
- The student must be able to understand the medication's use, the proper dose and how to properly administer the medication. Students in kindergarten through 3rd grade may not be able to self-carry their medications.
- Students who self-carry their own medication must report to the Health Office after each use. The medication administration will be documented and the student examined.
- The student shall take extraordinary precautions to keep secure any medication or drug, and under no circumstances shall make available, provide, or give the item to another person. The student shall immediately report the loss or theft of any medication brought onto school campus.

Hearing and Vision Screenings

Arizona Department of Health Services legislatively mandates the administration of hearing and vision screening students. No action is required to participate in this process; however, if you would like your student to opt-out of these screenings, please notify your school's Health Office.

SAFETY

Fire Drills

Fire drills are reviewed and held on a regular basis. Teachers will instruct the students on the exit route from their classroom. Students should leave the room quickly and in an orderly manner, in a single line and remain that way at their designated location until the return signal is given. It is very important that all students remain quiet in order to hear important directions.

Lockdown Drills

Lockdown drills are essential in case there is some danger that would require students to be in their classroom and protected from any risk. A lockdown drill means that all students remain in the classroom with their teacher with the classroom door locked. No person (adult or child) will be able to walk the campus unless escorted by a designed school employee. It is very important that all students remain quiet in order to hear important directions. Parents will be notified when a lockdown drill or real-world lockdown occurs. Students are not released to parents during a lockdown until the drill or danger is cleared.

TECHNOLOGY

Cell Phones and Electronic Equipment

It is unlawful for any person to knowingly photograph, videotape, film, or digitally record or by any other means use a device to secretly view or record another person without that person's consent. In addition, it is unlawful to disclose, display, distribute, or publish a photograph, videotape, film, or digital recording made without the consent of the person depicted. Refer to ARS Statute 13-3019. Violation of this statute is a Class 5 felony.

Cell phones and electronic devices must be turned off and put away as soon as students arrive on campus. Cell phones are not to be used at any time during the school day (unless identified for instructional purposes by the teacher) or during assemblies. Any phone/electronic device not being utilized for instructional purposes will be confiscated. Students must bring their ID to retrieve these items from the front office at the end of the school day.

Students bring these devices to school at their own risk. If a student has a cell phone or other electronic device on campus or the bus and it is damaged or stolen, the school will not utilize resources to investigate the incident nor will MUSD take any financial responsibility for the cell phone or cell phone charges or for any other electronic device.

MUSD electronic resources include, but are not limited to:

- Hardware, software, data, communication devices, printers, servers, filtered internet access, and local and wide area networks.

Online communication is critical for learners to apply 21st Century Skills and employ tools such as interactive websites, blogs, video conferencing, podcasts, etc., which offer authentic opportunities for students to express and share information. To keep students safe and comply with the Children's Internet Protection Act (CIPA), the Acceptable Use Policy (AUP) is put in place and updated to accommodate the many educational and global changes to date. This Acceptable Use Policy is written for all those who use school-provided network connections. These connections may be used for classroom blogs, student emails, podcast projects, interactive websites, social media, and any other occasion students, teachers, or community members use school network resources.

Consequences for Violation

Violations of these rules may result in disciplinary action, including the loss of a student's privileges to use the school's information technology resources.

Supervision and Monitoring

School and network administrators and their authorized employees monitor the use of information technology resources to help ensure that uses are secure and in conformity with this policy. Administrators reserve the right to examine, use, and disclose any data found on the school's information networks in order to further the health, safety, discipline, or security of any student or other person, or to protect property. They may also use this information in disciplinary actions, and will furnish evidence of crime to law enforcement.

Bring Your Own Device Policy

The Maricopa Unified School District's Bring Your Own Device Policy allows students to connect personal devices to the district's WIRELESS network provided approval is granted from the principal or authorized designee and the student's parent or legal guardian. Riding Bicycles, Scooters, or Walking to School

Students who do not ride the bus should arrive at school no earlier than thirty minutes before school starts and should leave the school grounds immediately after dismissal unless they are taking part in an organized after-school activity and have parental permission.

If students live within a mile from the school and have parental permission, then the rules listed below must be followed:

- Stay on sidewalks as much as possible

BUS RULES AND EXPECTATIONS

Students riding district buses are expected to follow the guidelines for bus riders:

- All students who ride the bus **MUST** ride the same AM bus every morning and the same PM bus every afternoon. We do not allow temporary changes to a student's stop. Permanent changes should be reported to transportation as soon as possible, in order to make sure we provide the safest transportation for all students.
- Any student who does not behave appropriately on the bus or does not cooperate with the bus driver can lose bus-riding privileges for a period of time or the remainder of the school year. Refusal to obey any bus driver when he/she is enforcing the bus rules is a serious offense. We ask parents to emphasize the absolute necessity of following the bus rules. Remember our drivers are entrusted with the lives of our young people and they must have support to keep our children safe every day. **They are authorized to assign seats at all grade levels.**
- **Kindergarten and first grade students must be met at the bus stop by an adult. Any kindergarten or first grade student not met at their stop will be returned to school.**

All questions pertaining to transportation should be directed to the Transportation Director at 520-568-5100 ext. 1160, once prompted select the transportation option.

Rules for Student Transportation

Arizona statutes do not mandate public transportation in this state. School bus transportation is provided as a courtesy and is a privilege, not a right. If a student's conduct is such that the health, safety, comfort, or the well-being of others is jeopardized, on or off the bus, a district official may deny the privilege of riding the bus. The school bus driver is in charge of the bus and all its passengers and has total authority and responsibility. Only designated district officials are authorized to suspend transportation privileges.

Student Conduct on the School Bus

Be Safe

- Listen to and follow staff directions
- Stay seated facing forward while being transported on the bus
- Keep head, hands, feet, and objects inside the bus and to yourself

School Bus Discipline

Based on the severity of the offense, the consequences will be adjusted as needed. All suspensions are based on actual school days (non-school days are not considered days served). The school administration will make contact with Parents/Guardians regarding any discipline behavior or suspension issues from the school buses. The final decision will be made by school administration.

Bus Misconduct Referral Policy and Procedures (Policy EEAEC)

Drivers are responsible for maintaining order on the buses. Administering consequences for misconduct on the school bus is the responsibility of our transportation department. It is the responsibility of the transportation department to communicate information to administration who will advise the parents when a student has been suspended. In the event of misbehavior on the part of the student riding the bus, the bus driver may issue the student a "Bus Referral" for minor and/or major infractions. The driver will complete a School Bus Misconduct Referral form.

- Depending on the nature and severity of the incident, the first bus referral may result in a written warning, or other disciplinary action, up to and including temporary or permanent suspension of bus privileges by the transportation director.
- The first bus referral on an activity bus will result in the suspension of activity bus riding privileges for the remainder of the semester or school year depending on the time of the year.
- Parents/Guardians contact will be initiated by an administrator regarding referrals and possible consequences.
- Severe infractions or second referrals will have a copy sent home as well. All referrals will be filed in the transportation office as well as the school site
- Habitual misconduct will result in permanent suspension from the privilege of bus transportation. This procedure will not preclude the right and responsibility of school officials to take other immediate action, as may be necessary in their judgment. For the preservation of good order and specifically for the safety and well-being of others who ride the bus. Suspension from bus transportation does not excuse the student from school attendance.

School Site Walking Boundary Regulations

It is the responsibility of the parents or guardians of the student to have the student at a designated pickup point within the receiving school's transportation area. If the parent is unable to transport the child to a stop within the school boundaries, the parent is responsible for providing transportation to and from school.

After following informal Due Process, the administrator may choose to recommend long term suspension, choose another disciplinary alternative, or exonerate the student. If long term suspension is recommended, a written Notice of Intent to Impose a Long-Term suspension shall be mailed or hand-delivered to the Parents/Guardians. This letter will explain the offense, the recommendations, and the rights of the Parents/Guardians to request a formal hearing.

A report of the restriction will be recorded in the student's discipline file and in the student management system.

MUSD K-5 CODE OF CONDUCT

GENERAL BEHAVIOR EXPECTATIONS

Students are expected to conduct themselves in a manner that is consistent with the vision, goals, and beliefs of the Maricopa Unified School District. Accordingly, students are prohibited from engaging in behavior (1) that obstructs, disrupts, or interferes with any educational, administrative, disciplinary, or other activity sponsored or approved by MUSD, (2) that endangers or threatens the safety of any person, or (3) that inflicts or threatens to inflict damage on property of MUSD, District employees, students, or others. In addition, students who have committed or are believed to have committed a crime may be subject to school discipline. A.R.S.15-843(B) (4). Students who fail to abide by this general behavioral expectation will be subject to appropriate discipline, regardless of whether the conduct violates any specific provision of prohibited behavior, and may be cause for revocation of open enrollment admission status.

The Code of Conduct is based upon progressive student discipline as described in Governing Board regulation JK-RA: "Depending upon the nature of the violation, student discipline may be progressive, i.e., generally, a student's first violation should merit a lighter penalty than subsequent violations."

In addition to any specifically enumerated consequences, any violation of the General Behavioral Expectation listed above or of any Specifically Prohibited Behaviors beginning on the next page may result in the following consequences:

- The student may be isolated from other students and prohibited items will be confiscated.
- A conference will be held with parents to inform them of the inappropriate behavior and to remind them of school policy and disciplinary procedures.
- The student may be required to make use of counseling/intervention services.
- The student will make restitution for damages, if appropriate.
- The student may be assigned detention, work detail, a behavior contract and/or in-school suspension.
- The student may receive a short-term suspension (up to 10 days) from school premises and activities.
- For repeated or serious violations, the student may be removed from the regular school program or recommended for long term suspension or expulsion.
- Administration may involve police. Legal action may be taken.

Consistent with the general behavioral expectation, the following specified behaviors are prohibited on school property (including school buses and bus stops), in the vicinity of the school, at school-sponsored activities, and on the way to and from school unless otherwise required by the Student Handbook or Board Policy. Disciplinary decisions are at the discretion of the administrator and are expected to be connected to the misconduct in a logical and timely manner.

MUSD Discipline Philosophy- Students are expected to conduct themselves in a manner that is consistent with the vision, goals, and beliefs of the Maricopa Unified School District. Accordingly, students are prohibited from engaging in behavior that obstructs, disrupts, or interferes with any educational, administrative, disciplinary, or other activity sponsored or approved by the District, that endangers or threatens the safety of any person, or that inflicts or threatens to inflict damage on the property of the District, District employees, students, or others. In addition, students who have committed or are believed to have committed a crime may be subject to school discipline. A.R.S. 15-843(b). Students who fail to abide by this general behavioral expectation will be subject to appropriate discipline, regardless of whether the conduct violates any specific provision of prohibited behavior, and may be cause for revocation of open enrollment admission status.

PBIS-Positive Behavior Intervention Supports - Maricopa Unified School District has adopted the Positive Behavior Intervention Supports or PBIS framework. School-Wide PBIS is a whole school three-tier approach to decreasing disruptive behaviors and increasing student success. • One of the foremost advances in school-wide discipline is the emphasis on school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. • A continuum of positive behavior support for all students with all MUSD schools is implemented in areas including the classroom and non-classroom settings (for example hallways, buses, and restrooms). • Attention is focused on creating and sustaining primary (school-wide), secondary (classroom), and tertiary (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making targeted behaviors less effective, efficient, and relevant, and desired behavior more functional.-PBIS.org The main focus of PBIS is to provide a clear system for all expected behaviors at Maricopa Unified School District Schools. While many faculty and students may have assumptions of what is expected behavior, we cannot assume that everyone's understanding and beliefs are similar. Through PBIS, we will work to create and maintain a productive, safe environment in which ALL school community members have clear expectations and understandings of their role in the educational process. MUSD schools are implementing PBIS school-wide systems of positive behavior support that focus on taking a team-based approach and teaching appropriate behavior to all students

in the school. Our three main overarching Behavior Expectations district wide are: • Be Safe • Be Respectful • Be Responsible. Behavioral expectations are taught using similar teaching formats that are applied in the general curriculum. The rules are presented, the reasons are discussed, positive examples (correct way) are described and rehearsed, and non-examples (incorrect way) are described and modeled. Students are given the opportunity to practice the correct way until they demonstrate fluency. Appropriate behaviors are acknowledged. Once appropriate behaviors have been defined these desired behaviors are reinforced on a regular basis. Each school has their own reinforcement system used to reward positive behaviors. Students are recognized and celebrated in various ways throughout the year.

Restorative Practices- The Maricopa Unified School District is founded on humanitarian and democratic principles, recognizing and respecting the rights and dignity of all individuals. As a community of educators, we deeply value the importance of building strong relationships with our students, as we believe this is essential for their overall success. This includes fostering collaborative partnerships with students and their families, working together to ensure each student's achievements. Restorative practices and school discipline in the Maricopa Unified School District aim to cultivate inclusive school communities that prioritize student engagement in learning and minimize disruptions to instruction. To achieve this goal, we rely on the support of all stakeholders, particularly our families, as we strive to create a nurturing and positive environment.

Our objectives regarding restorative practices and discipline are as follows:

1. Providing students with ample opportunities to learn from their mistakes, transform their behavior, and restore relationships.
2. Developing a progressive and restorative program that embodies our values.
3. Ensuring administrators possess a comprehensive understanding of appropriate responses to discipline referrals and concerns, while allowing for flexibility and individualized approaches.
4. Offering clear guidelines and advanced communication to students, parents/guardians, and school personnel regarding the steps to be taken in handling discipline matters.
5. Providing ongoing professional development and support for educators to implement strategies and actions that align with the principles of a democratic society.

Each day, within our schools, we have the power to influence our students' social-emotional learning and development through the utilization of restorative practices. By prioritizing healthy relationships, preventing harmful behaviors, resolving conflicts constructively, and fostering a positive and inclusive learning environment, we aim to create an optimal space for growth and learning. We deeply value open dialogue as a means to repair relationships, and we maintain an unwavering commitment to ensuring that disruptive behavior does not impede other students' access to education.

To maintain a safe and respectful learning environment, our staff is dedicated to addressing and supporting behavioral concerns at the teacher and classroom levels. These conversations may involve peers, parents/guardians, and the administration, as we all share the responsibility to support and uphold a secure and inclusive learning community.

Discipline and students 7 and under and in grades K-4-

Suspension of elementary school students in kindergarten and grades one (1) through four (4) must comply with [A.R.S. 15-843\(K\)](#), as follows: JKD Policy, JK Policy Unless required by A.R.S. 15-841(G), bringing a firearm to school, which may be modified on a case-by-case basis, a school district may out-of-school suspend or expel a student who is enrolled in kindergarten through fourth grade only if all of the following apply:

4. Before suspending or expelling the student, the school district considers and, if feasible, employs alternative behavioral and disciplinary interventions that are available, appropriate to the circumstances, and that are considerate of the health and safety of others. The consideration of disciplinary interventions will occur in consultation with the student's parent or guardian to the extent possible. The school district shall document the alternative behavioral and disciplinary interventions it considers and employs.

MUSD Discipline Matrix

Progressive Discipline- The Code of Conduct is based upon progressive student discipline as described in Governing Board regulation JK-RA: "Depending upon the nature of the violation, student discipline may be progressive, i.e., generally, a student's first violation should merit a lighter penalty than subsequent violations." The following chart shows the minimum and maximum range of disciplinary action that will be enforced for each area. These statements are guidelines only and do not limit the judgment of the administrator who must assess the situation and the student's behavioral history. School rules apply when a student is attending school, on school grounds, at school sponsored events, traveling to or from school, before or after school at bus stops, on any district property, or when the student is engaged in misconduct that affects the climate of the school.

***Notes: the use of commas in the Minimum and Maximum columns below indicate "and/or" and are dependent on the infraction and use of progressive discipline. *Violations noted with * are reported to the Arizona Department of Education. Violations noted with ** are additionally reported to law enforcement.*

A major code of conduct violation is considered to be any behavior infraction that has to be reported to the Arizona Department of Education. This includes but is not limited to: alcohol, drugs, fighting/assault, threats, and weapons. The school principal or their designee reserves the right to recommend students for long-term suspension based on these major infractions
