

Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

February 19, 2021

Dear MUSD Parents:

MUSD is pleased to announce Maricopa High School has updated their spectator plan for home competitions. Away spectator allowances may be different based on each school's spectator plan. Details for away competitions will be communicated as the competition dates approach.

The following updated plan began February 18, 2021.

- Two guests permitted per athlete/coach
 - Toddlers and children count as a guest
 - Guests sign in under their athlete's name prior to paying a cash admission fee
- MUSD staff IDs accepted without a guest
- AIA passes accepted without a guest
- Temperature checks upon entry
- Masks are mandatory at all times
- Social distancing is required in the stands

Mitigation plans have been updated and are available on the [Maricopa High School Athletics Website](#).

Thank you for working together to maintain safety during athletic events.

Stay well,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
