

# Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

February 10, 2023

Dear MUSD Parents,

## MUSD CELEBRATES CAREER AND TECHNICAL EDUCATION MONTH (CTE)

In the City of Maricopa, MUSD is known for a wide range of Career and Technical Education (CTE) programs that prepare students for high-wage, high-skill, and high-demand careers.

Our programs earn state and national recognition in Computer Maintenance, Digital Communications, and Marketing - just to name a few.

And, it gets even better...

Did you know our CTE programs provide vital services to our schools and the community?

- 24 PinTech - IT Support for MUSD Staff and Students
- MHS Rams Automotive - Full Automotive Care for Staff and Students
- Art for the Heart - Annual Art Festival and Fundraiser
- MHS Graphic Muse - Graphic Design Services

But the best part is that many of our students already have skills and certifications that make local employers swoon! They are employed right here in Maricopa with positions in culinary services, automotive, healthcare, and many more.

For more information about CTE programming, visit [musd20.org/cte](https://musd20.org/cte).

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent  
Maricopa Unified School District
