

Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

October 14, 2022

Dear MUSD Parents,

Did you know that October is National Principals Month?

We have outstanding school leadership. Our schools are great places to work and learn because our principals make it their daily goal to ensure every teacher and student is inspired to do their best every day.

Please join me in thanking our Principals, Assistant Principals, and Teachers on Assignment for all they do to create a great educational experience.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
