

Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

REOPENING SCHOOLS

August 6, 2020

Dear MUSD Families and Staff,

I am so pleased to see how much our students and teachers have accomplished in our first week of distance learning.

To help you get the most out of the dynamic instruction taking place on our online platform, visit the [Parent Tutorials](#) page on our website. We have video lessons that range from Login Assistance to Google Classroom for Parents, and many more! Be sure to check back often as new tutorials are being created regularly.

As a reminder, the MUSD Child Nutrition team is preparing daily Grab & Go meals for MUSD students. Visit [Food Services](#) for more information about hours of operation, pricing, and distribution sites.

Today, the Arizona Department of Health Services released the benchmarks school districts will consider to safely reopen schools for in-person learning. District administration is analyzing the information to plan for specific application of the Benchmarks in MUSD.

For additional information regarding the benchmarks please read the [Safely Returning to In-person Instruction](#) document located on the AZDHS website.

Finally, please continue to send your feedback to reopeninfo@musd.org. We use your comments to refine our distance learning plan.

Thank you for choosing Maricopa Unified School District.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
