MARICOPA UNIFIED SCHOOL DISTRICT

## REOPENING SCHOOLS

June 11, 2020

Dear Maricopa Employees and Families,

I hope you and your families are well and finding relaxing ways to enjoy the summer. I appreciate your patience while our Task Force works to develop the blueprint for our employees and students to return to school.

The MUSD Reopening Task Force is designing an educational model through the lens of safety to determine how they can best serve students and families. The task force, composed of 68 teachers, parents, support staff, and administrators, will focus on the key areas below that are necessary to implement a smooth start to the 2020-2021 school year.

- *Health and Safety*
- *Teaching, Learning, and Technology*
- *Athletics and Extracurricular*
- *Communication and Partnerships*
- *Daily Operations and Finances*

Safety is our priority, and I know employees and parents have important feedback regarding returning to school. We will administer parent and employee surveys to gather feedback regarding school organization, remote or distance learning, and comfort levels associated with safety and health. (The surveys will be available online Saturday, June 12, 2020 at [www.musd20.org](http://www.musd20.org).)

I invite you to tune into the MUSD Governing Board Meeting on June 24 at 6:30 p.m. to hear conclusions from the MUSD Reopening Task Force. Although there are still details to resolve, we look forward to welcoming our students and employees back safely for a new school year beginning July 23.

Thank you for choosing Maricopa Unified School District.

Sincerely,

Dr. Tracey Lopeman, Superintendent  
Maricopa Unified School District
