

GREAT NEWS - MUSD OVERRIDE PASSES!

November 5, 2021

Dear MUSD Parents:

Unofficial results indicate that voters in our district approved the continuation of the MUSD M&O Override!

We are grateful for the support and confidence of our community. This is an endorsement of the work our teachers and staff do every day, and an acknowledgment of our reputation for responsible stewardship of taxpayer money.

A special thank you goes to those who supported this effort with your vote and those who gave their time and energy to inform voters of the critical importance of override funding. Because of you, students in our District will continue to benefit from low class size, investments in technology, and RAM Academy.

Thank you for choosing Maricopa Unified School District.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
