

Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

August 11, 2023

Dear MUSD Parents,

MUSD Paraprofessionals are Vital to Student Success

The success of our students is linked to a team of devoted staff members. Beyond our teachers, many work in the background, ensuring high-quality education.

Paraprofessionals – Teacher assistants – play a key role in our schools, supporting classrooms and helping students succeed.

- They work hand-in-hand with educators.
- Assist in classroom activities.
- Provide crucial support to students in need.

Recognizing the impact of these roles, we are on the lookout for dedicated individuals to fill paraprofessional positions in our special needs and kindergarten classrooms.

Why join MUSD?

- We're the largest employer in Maricopa.
- We provide a supportive environment, competitive pay, and professional growth.
- We make a difference every day.

To view all open positions and/or apply, visit www.musd20.org/employment.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
