

Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

NATIONAL SCHOOL PRINCIPALS MONTH

October 15, 2020

Dear MUSD Staff and Parents,

Did you know that October is National Principals Month? Even though this is a little known fact, it's worth highlighting.

We have outstanding school leadership. Your Principals, Assistant Principals, and Teachers on Assignment have navigated the unfamiliar territory of distance learning while leading in-person learning during a pandemic. But, with their smiles and air high fives, you'd never know it.

This October, join me in thanking our Principals, Assistant Principals, and Teachers on Assignment for creating great places to learn and work.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
