MARICOPA UNIFIED SCHOOL DISTRICT

October 22, 2021

Dear MUSD Parents,

As we wrap up our remaining parent-teacher conferences, I would like to acknowledge each of you for the important role you play in the academic success of your child. Your enthusiasm to ask questions, share information, and participate in strategies for your child's future success does not go unnoticed.

Thank you for being a partner and advocate in your child's education. We look forward to working together to ensure your child reaches their individual goals throughout the year.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
