MARICOPA UNIFIED SCHOOL DISTRICT

GIVE NOW, GET IT ALL BACK!

November 18, 2022

Dear MUSD Parents,

Score a dollar-for-dollar credit on your state tax bill! Arizona allows all state taxpayers to direct a portion of state tax dollars directly to an MUSD school and **get every penny back** on your state tax return.

Your support can be applied to:

- **Extracurricular Activities** - athletics (including pay-to-play activities), clubs, field trips, and other school-sponsored activities for enrolled students that supplement the school's education program
- **Career and Technical Education Assessment (CTE)**
- **College Entrance Exams** - tests that are widely recognized and accepted by universities

Married couples filing jointly may contribute up to \$400, and single heads of household or married individuals filing separately may contribute up to \$200. For more information, or to secure your tax credit, visit MUSD20.org/give.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
