THANK YOU

November 20, 2020

Dear MUSD Staff and Parents,

As we approach the holidays, I am reminded of how much our worlds have changed in the last several months. Although the pandemic brought great challenges, I am continually impressed with the community-wide investment in kids.

- Students, thank you for giving your all in an ever changing environment.
- Parents, thank you for your ongoing advocacy for your children.
- Staff, thank you for your individual efforts and for banding together to accomplish monumental feats.

I am grateful for everyone in the MUSD learning community. Each of you have demonstrated resilience, flexibility, and patience while striving for a better tomorrow.

Stay well, and thank you for choosing MUSD.

In gratitude,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
