

MUSD TEACHER IS TRENDING!

December 2, 2022

Dear MUSD Parents,

Third-grade teacher at Saddleback Elementary, Ms. Maureen Dersé, broke the internet when she received a heartfelt compliment delivered in the most unconventional way! The "confrontation" was captured on video by parent, Leonard Johnson, - and it went viral!

Check out the news coverage from local tv stations:

Ms. Dersé is one of over 1,000 MUSD employees who give their best every day. And, like the Johnson family, we hope you are compelled to shout it from the rooftops!

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
