MARICOPA UNIFIED SCHOOL DISTRICT

February 5, 2021

Dear MUSD Parents and Staff:

Join us as we applaud two employee groups who have served important roles over the last several months.

What would we do without our Transportation Crew? They safely carry our most precious cargo, help supervise Learning Labs, and assist the Child Nutrition team with mobile meal distribution. They are highly skilled, flexible, and always go the extra mile.

MUSD School Counselors also deserve recognition. This week is National School Counselor Week; these caring individuals show up for kids virtually and in person with kindness and compassion. Their guidance and perspective compels us to support our students and each other with open hearts.

The pandemic has impacted our students and their families in very personal ways. The work of the Transportation Department and School Counselors exceeds the bounds of their job descriptions, and for that we couldn't be more grateful .

Thank you for choosing Maricopa Unified School District.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
