Dear Parents/Guardians:

### ANNUAL ENROLLMENT UPDATE

It's time to complete your child's Annual Enrollment Update.

**To verify and update student information:**

- Login to ParentVUE
- Locate Online Registration tab:
  - Select the 2023-2024 school year
  - Follow direction prompts
  - Verify personal and emergency contact information for next year

**Important to remember:**

- If you are enrolling your student in a school other than your home school, use the "School Selection" drop-down menu to choose the alternate school. You must also apply and be accepted for [Open Enrollment](#).
- Your electronic signature must match exactly with your name on your ParentVUE account (located in the upper right-hand corner).

If you do not have a ParentVUE account, please contact your child's school to request an Activation Key.
