

# Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

May 13, 2021

Dear MUSD Staff:

Last night, the MUSD Governing Board reviewed current COVID-19 information, including county and district data. **The Governing Board voted to modify current protocols as follows:**

## EXPOSURE TO A CONFIRMED CASE

<b>Students</b>	Notification of Close Contact	Quarantine at Parents' Discretion	Current Quarantines Return to School on Monday, May 17
<b>Staff</b>	Notification of Close Contact	Stay Home if Symptoms Present	Current Quarantines Return to School on Monday, May 17

Additionally, we have adjusted spectator accommodations for particular upcoming events:

## GRADUATION AND PROMOTION CEREMONIES

<b>Graduation</b>	Masks Optional	4 Guests/Graduate
<b>Promotion</b>	Masks Optional	4 Guests/Graduate

We will continue to monitor case counts throughout the district and respond accordingly to ensure the safety of our students and employees. All other mitigation strategies including wearing masks indoors, physical distancing, frequent handwashing, and cleaning routines will remain in place.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent  
Maricopa Unified School District
