MARICOPA UNIFIED SCHOOL DISTRICT

August 27, 2021

Dear MUSD Parents,

September is just days away and we look forward to a fun-filled month of learning and extracurricular activities! As a reminder, below are current mitigation strategies used to promote health and safety:

- **Masks remain optional indoors and outdoors.** All employees, students, and visitors who are not fully vaccinated are encouraged to wear face coverings, but it is not required.
- MUSD will encourage social distancing when possible.
- MUSD will promote frequent hand washing and proper respiratory etiquette.
- Employee and student workstations will be cleaned regularly using COVID-19-approved disinfectants.
- Electrostatic sprayers will be used to disinfect classrooms and buses.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
