

Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

August 4, 2023

Dear Maricopa Unified School District Parents and Guardians,

INVESTING IN OUR FUTURE

As our city grows, so does the Maricopa Unified School District, and we're taking proactive steps to ensure we keep pace.

- **Growth:** Our district now serves over 9,100 students, showcasing our community's belief in quality education.
- **Investment in the Classroom:** We've hired 51 additional classroom teachers, bringing the total to 486, which allows us to:
 - Keep class sizes low.
 - Ensure personalized attention.
 - Enhance the overall quality of instruction.

As we grow, we remain committed to delivering a world-class education for your child.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
