#### ADDITIONAL INFORMATION

- A. Salary and benefits are prorated based on the hire date and less than full-time equivalent (FTE) employment.
- B. Salaries are based on a 202-day work calendar and contracts based on an extended work year calendar will be supplemented on a per diem basis.
- C. Coursework approved and completed in each fiscal year will be used to calculate education compensation for the following contract year. For example, coursework completed from July 1st through June 30th will be used to calculate compensation for the subsequent school year. Official transcripts must be submitted no later than September 1st following the end of each fiscal year.

## II. Retirement Incentive Program (Governing Board Policy GCQE)

- A. The retirement incentive program is intended to provide a school employee with the opportunity to receive an incremental increase in salary during the final year of employment. Such payment must be offered and accepted in the employment contract prior to the beginning of the particular school year in which the retirement incentive pay is to be received.
- B. The employee must apply to the Governing Board, in writing, for the retirement incentive during or before the year prior to the year in which retirement will occur.
- C. An employee choosing the retirement incentive shall receive an increase over the regular contractual or scheduled salary in the year before retirement. The payment will be based upon the number of years of service to the District.
